See page 2 to learn more about the MCMS PFC!

What is the PFC?

The Parent Faculty Club (PFC) is a non-profit organization that supports the education and welfare of children at Medea Creek Middle School. The state provides a set amount of money each year per student. This amount is not enough to provide the quality education and programs we want for our kids. The PFC's main function is to raise funds to supplement programs, materials and services for our children and to maintain a line of communication between home and school.

Our Membership Drive is one fundraiser used for this purpose, and being a member also gives you a voice in your child's education. In recent years, with the financial support of MCMS parents, the PFC was able to provide:

- *Technology:* software and network printers for numerous classes
- *P.E.:* a computerized fitness assessment system, and heart rate monitors and stationary bikes
- *Music:* Instruments, sheet music, clinicians and supplies
- *Campus Refurbishment and Enhancement:* metal benches, installation of courtyard pavers and concrete work outside of the gymnasium
- *Science Department enhancements:* microscopes, stools, dissecting kits, videos and books
- *Library:* 400+ books, accelerated reading quizzes, and shelving
- *Annual Support:* Homework Club and Lunchtime Clubs for all students

Membership also allows your student's name, address, and phone number to be listed in the Student Directory. Our directory is an invaluable source of important school information, calendar of events, addresses, phone numbers, and teacher contact information. Families who join the PFC automatically receive a directory, and in order to receive a directory you must be a member of PFC.

~ Please support MCMS ~
