

Family Lottery Numbers 2016-17 District Of Choice Oak Park Unified School District conducted the lottery for the District Of Choice program at the School Governing Board meeting on Tuesday, January 19th, 2016. Each family who applied by December 31, 2015 has been assigned a computer generated lottery number that will determine the order in which enrollment will be offered. The list of admitted students and wait listed students will be posted on our website on February 19, 2016. As a reminder, California State Law requires that enrollment be offered to students on the Sibling list prior to offering enrollment to students on the Non-Sibling list.
