

**OAK PARK HIGH SCHOOL**  
**2014-15**  
**APPLICATION FOR**  
**MUNICIPAL ADVISORY COUNCIL**  
**STUDENT REPRESENTATIVE**

Because there is no "city government" in Oak Park, an elected Municipal Advisory Council (MAC) exists to advise county government of community concerns. Each year an Oak Park High School student is appointed to fulfill the student body representation. The student MAC representative may be in any grade when serving in this role. This individual will attend the monthly MAC meetings (normally held at 7pm on the 4th Tuesday of each month in Room G9). **Applications will be accepted in the counseling office until 3pm on Friday, October 4.** A selection will be made by October 10, 2014 and the selected student will be expected to attend the October 28, 2014 MAC meeting beginning at 7pm in G9

The student rep is responsible to provide a brief report each month to the MAC on issues and major events of interest to students in Oak Park Schools (particularly at the high school). The Rep should also be prepared to convey information from the MAC meetings back to the student body.

Please provide a short statement (100-150 words) below identifying the skills and qualities you believe that you possess making you the best candidate for the MAC. In addition, you should explain why you have an interest in this position and what ideas you have to help the school and community. These statements will be used to screen applications and interviews will be held with the top candidates. Thank you for your interest in wanting to help improve your community.
