OCTOBER 2016 | Nutrition & Lunch Menu

At Oak Park, we believe that well-balanced, scratch-made meals are tastiest and most nutritious for our students. Our pizza crusts and breads are baked by local purveyors and delivered fresh, ready to be turned into meals. We prepare everything else in our kitchens, from the pizza sauce down to the Ranch dressing. We commit to serving fruits and vegetables grown in season, because they have the best flavor and nutrition. Our meals are kid-friendly and school-approved!
