

## DISTRICT OF CHOICE TRANSFER APPLICATION FOR FALL 2012

Open Enrollment for new out of district families for fall 2012 has expired. Open enrollment is from 11/1 – 12/31 each year for the following new school year. The only way to get on a waiting list to attend OPUSD at this point for fall 2012 is to go to your resident School District Office and request an inter-district permit. Please contact your resident School District Office or visit their website for details. Once I receive permit (release), I can place your child on the waiting list. Your resident district will mail a copy to my office.

### **PLEASE NOTE:**

**We will be reviewing the waiting list beginning in late summer up until the first few days of school at the end of August.** If things do not work out for your student to attend in fall 2012, please mark your calendar to submit an online application this November or December for Fall 2013. Thank you so much for your interest in our Oak Park Schools!
