

# 2025 – 2026 OPIS Chemistry & Biology Lab Schedule

**LAB CLASSROOM: Oak View High School Room 102**

**Labs** will be held from 1:00-2:00 on Thursday dates below, starting promptly at 1 P.M.

**STUDENTS MUST ATTEND AT YOUR ASSIGNED TIME.**

Students are expected to participate in the lab activity, write their own notes, ask questions, and follow safety rules. The labs are review and extensions of content.

Absent? please arrange to make up the lab online with your regular OPIS teacher.

**STUDENTS WHO ARE MORE THAN 10 minutes LATE WILL NOT BE ADMITTED.**

Please contact Ms. Robinson, lab teacher, with any questions: [hrobinson@opusd.org](mailto:hrobinson@opusd.org)

**Biology Semester 1** from 1:00 to 2:00

September 11 Lab Methods  
September 25 Enzymes and Catalysts  
November 6 Cells  
December 11 DNA

**Biology Semester 2** from 1:00 to 2:00

February 5 Evolution  
February 19 Genetic Drift  
March 12 Ecology  
May 7 Bacteria

**Chemistry Semester 1** from 1:00-2:00

September 18 Lab Methods  
October 16 Measurement/Volume  
November 13 Chemical Reactions  
December 4 States of Matter

**Chemistry Semester 2** from 1:00-2:00

January 15 Gas Law & More  
February 26 Ionic Bonds  
March 26 Rates of Reaction  
April 23 Acid-base Equilibria
