6. OPIS Seniors have access to the College and Career Center.

7. OPIS graduates may attend the OPHS graduation ceremony receiving the OPIS graduation diploma.

8. OPIS students may attend the parent-sponsored OPHS Grad Nite event following graduation.

9. OPIS students **may not** participate in the OPHS planned senior activities during "Senior Week" (Career Info Session, Beach Day, Senior Picnic, etc.)

The following extra or co-curricular participation requires that OPIS students be concurrently enrolled in an OPHS course on the OPHS campus during the semester and quarter of participation.

10. Participation on an athletic or sports team, cheerleading, ASB, club membership, performing arts productions including dance team, drama, and choral or instrumental music.

11. Inclusion in Yearbook, newspaper, literary arts magazine, fine art shows and competitions.

I have read and understand the above and know that participation in extra-curricular activities is a privilege and not a right. All students must be in good standing with their schools in terms of attendance and behavior and the principals of either OPHS or OPIS may deny the privileges outlined above. All other OPHS policies including the co-curricular code of ethics apply to such participation.
