### **HANDBOOK RECEIPT FORM**

#### **2019/2020 SCHOOL YEAR**

Dear Parent/Guardian and Student:

Welcome to Oak Park Independent School!

Please read either the K-5 or 6-12 Oak Park Independent School Handbook.

The handbook contains a wealth of important information about our school's mission, philosophy, academic, attendance and behavior standards, and general information about the school. We urge you to take time to become familiar with this resource and its contents.

The discipline plan outlined in the student handbook fulfills requirements of state law and Education Codes 35261 and 35291.5. It is intended to serve as an explanation of rights and responsibilities of the school, the parent, and the student.

Read each section carefully and review its contents and implications with your student. If you require additional explanation, please call the school at (818) 597-4256 and an administrator will gladly address any of your questions.

By signing and dating this page, you are acknowledging both your reading and understanding of the student handbook as well as your agreement to follow the procedures and requirements. Thank you and best wishes on a successful experience at Oak Park Independent School.
