Information

Looking for Junior Volunteers, 16 years or older, to foster rescued cats, kittens, dogs, & puppies at the Adoption Center. Volunteers will be trained to assist in a variety of areas: helping keep animal enclosures & the community rooms clean, helping socialize & photograph the animals, walking dogs, etc

Looking for junior volunteers ages 8-18 to raise awareness & funds to provide humanitarian relief to orphaned Armenian children & adults with disabilities throughout the world. Check <http://www.soar-us.org>

Calling all teens (grades 9-12) who enjoy helping younger kids, need community service credit, want to meet teens from other schools and want to be part of a real team! The Discovery Center Teens (aka DC Teens) is a Science, Technology, Engineering, Art and Mathematics (STEAM) leadership and service club for teenagers wanting to make a difference in their community by supporting the work of The Discovery Center for Science and Technology. Check this link for more opportunities: <http://discoverycntr.org/volunteer/>

They accept applications from 7th-12th grade. Each member is required to complete 20 community service hours per year. We meet once a month from September to May. Assisteens supports the programs that the Assistance League funds as well as a few of its own philanthropic efforts such as Shelter Hope Pet Shop and The Samaritan Center and the Cancer Care Community. We also participate in several fundraising activities. "for more information go to <https://www.alconejovalley.org/assisteens-.html>

Looking for student volunteers to help bookstore duties.

Students must be 16 years of age or older to apply. There is a waiting list for positions, however, students are encouraged to apply as soon as they are 16. There is a good chance that they will be awarded a position within a year.

Potential positions include back office admin as well as patient care/interface

Many volunteer opportunities are available to help our military personnel with care packages, letters, etc. Opportunities to assemble care packages are scheduled.

Looking for volunteers to assist at a Sunrise of Westlake Village

Students meet once a month to discuss & implement programs to help the community. New volunteers are welcome to attend

Student internships last 2-years & require volunteering 5-6 hours on a clinic. Language (esp. Spanish) are encouraged to apply

Translates more than ten million words per year for nonprofits by working with volunteer translators worldwide. Work focus development, capacity building, and advocacy.

People Power is the American Civil Liberties Union's platform for grassroots action. Their volunteer teams help mobilize and protect our civil liberties by making calls, sending texts or translating materials into Spanish.

Youth for Environmental Sanity: One week programs for high school students - Bay Area Urban Habitat, Southern Calif. Urban Habitat, Youth Leadership Jams in Nevada, Youth Leaders Institute in North Carolina; <http://www.yesworld.org/>

"GENup is a California based, statewide student-led social justice organization and student-activist coalition that strives to amplify the power of youth voices! GENup seeks to fight for an education system that prioritizes students and educators first: an education system where all students have equal access to resources, a system where educators have a fair, living wage, and an education system that allows its members to thrive within their communities." Check out the website for more info.

This student-led organization seeks to provide its members with an open space that fosters personal growth, self-discovery and leadership. TPOP is the high school mentorship program. Students are matched with a student from USC and will be able to attend 5 meetings from cultural identity to college readiness. Unlike previous years, all meetings will be virtual due to USC's current COVID-19 restrictions.

Information

The Therapeutic Recreation (TR) Unit provides year-round recreation, sport and leisure programs for children, teens, and adults who have difficulty participating in recreation due to the presence of a disability. Participants of Therapeutic Recreation programs include individuals with cognitive, neurological, physical, or emotional disabilities, and/or sensory impairments. The Therapeutic Recreation Unit offers an outstanding internship program for college students majoring in therapeutic recreation and interested in state certification.

Looking for students to work after school with students: tutoring, mentoring, supervising activities.

Need after school help with leading sports, tutor help, mentorship, assist events & run programs. Go to your local B&G Club where you can help.

you can help.

Information

The Los Angeles County Fire Department Explorer Program is designed for young adults from 15 to 21 years of age who are interested in learning about a career in the Fire Service. The program is a joint venture with Learning for Life. In addition to learning about the Fire Service, the Explorer program's main goal is to provide the young adult with a sense of responsibility to their neighborhood through on-going community related activities.

The Ventura County Fire Explorer Program is designed for youth, 14 - 20 years of age, who are interested in learning about a hands-on program provides participants with opportunities to increase their self-confidence and develop leadership skills through various activities. The Fire Explorer Program is a joint effort with the Learning for Life Fire Exploring and County of Ventura Office of Education programs. It is conducted on a semester basis in coordination with local school district calendars.

An exciting way for young men & women to explore the field of law enforcement. Explorers receive a 3-week, 120-hour academic program. Applicants must be 14-21 years of age, pass a background exam, maintain a 2.0 GPA, no criminal history, drugs, or alcohol use, and complete the application form. Fill out the Form & send to the address listed.
