NAVIANCE – ASSESSMENTS -

9TH & 10TH GRADE NAVIANCE WEBINAR

The screenshot displays the Naviance Student web application. At the top, a dark teal header contains the Naviance logo and the word "Student". Navigation links include Home, Courses (with a "New" badge), Colleges, Careers, About Me, and My Planner. User status at the top right shows "Give feedback", "12 new messages", and a "LOG OUT" link.

The main content area has a teal background. It features a "Welcome, Julie!" message, a "Search for Colleges" button with a dropdown arrow, and a search input field labeled "Type a college name".

A dropdown menu titled "My Assessments" is open, listing the following options: "Do What You Are", "Learning Styles Inventory", "Strengths Explorer", "Career Interest Profiler", and "Career Cluster Finder".

Below the header, there are two main sections:

- The Freshman Year:** This section includes the Naviance logo and a description: "Naviance's Student is a web-based program for academic planning, college and career research. You will want to become familiar with this program as it is the primary vehicle you will use to:" followed by a bullet point: "research and plan your academic program for all 4 years of High School".
- My Favorites:** This section lists two items, both labeled "COLLEGES":
 - A heart icon followed by "I'm thinking about".
 - A graduation cap icon followed by "I'm applying to".

In the bottom right corner, there is a "Show Me How" button with a circular icon containing a laptop and a question mark.

Choose Plan

Create New

Add Courses

Select the graduation plan you would like to build.

Start by selecting a high school and then select one of the graduation plans available at that school. You will then be able to select courses and explore and apply career pathways courses to your plan. You can also create more than one plan so that you can explore different pathways available at different schools.

A-G REQUIREMENTS

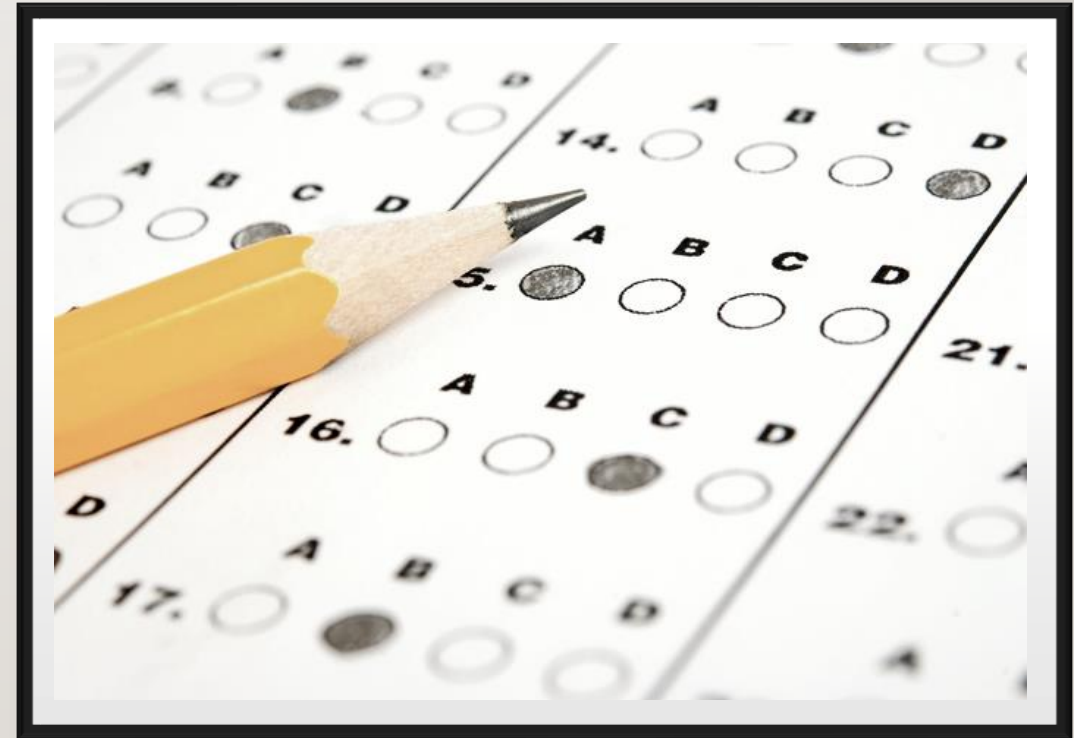

- The A-G / College Entrance Requirements are a sequence of high school courses that students must complete (with a grade of C or better) to be minimally eligible for admission to the University of California (UC) and California State University (CSU). They represent the basic level of academic preparation that high school students should achieve to undertake university work.

A-G REQUIRED COURSES

- **A. History/Social Science** - 2+ years including 1 of World, 1 of U.S. and/or Government
- **B. English** - 4 years of college preparatory English
- **C. Mathematics** - 3+ years of including topics covered in basic and advanced algebra and two-and three-dimensional geometry
- **D. Laboratory Science** - 2+ years of laboratory science in at least 2 of the 3 disciplines of biology, chemistry and physics
- **E. Language Other than English** - 2+ years of the same language (other than English)
- **F. Visual/Performing Arts** - 1+ years of dance, music, or visual arts.
- **G. College Preparatory Elective** - 1+ years (additional year of any requirement above or other elective)

PSAT - UPDATE

- The PSAT is organized through OPHS Administration
- Due to the pandemic, the October test date has been postponed
- College Board has offered those schools who are closed an **alternative January date**
- OPHS Administration will determine as we get closer to January if and how to administer the PSAT

9TH & 10TH GRADE PLANNING

- Take every class seriously – Every Grade Counts!
- Join a school club
- Find your interest & passion (rocketry, environment, music, art, activism, student government, computers, cultural, medical, animals...)
- Seek out “meaningful” volunteer/community service
- Depth over Breadth
- Increase your class participation
- College Planning 9th and 10th Grade – College Board Resource & Checklist

UPCOMING EVENTS

Friday, September 18th - 10:30-11:30am

How College Decisions are Made

Students and Parents please join us in the Virtual College & Career Center for a panel of 4 colleges and universities who will help explain how colleges make their decisions from thousands of applicants. [CLICK HERE TO REGISTER](#)

A black-framed chalkboard with a white border. The words "Any Questions" are written in white chalk in a cursive, handwritten style. The chalkboard has some texture and faint smudges.

Any
Questions
