TEST SCORE SUBMISSION

Students may take the ACT or the SAT an unlimited number of times prior to full-time collegiate enrollment. All ACT and SAT scores must be reported to the NCAA Eligibility Center. It is best for students to list the NCAA Eligibility Center as a score recipient at the time of exam registration to avoid additional fees. Please note only official test scores sent from the testing agency (ACT/SAT) are acceptable. Test scores on your high school transcript will not be used. Here is the step-by-step process to have your test scores sent.
