

## CLASS OF 2004 EXIT SURVEY

The Oak Park Class of 2004 continued the Oak Park tradition of receiving tremendous recognition from colleges and universities throughout the country! In an exit survey administered to our **224** graduating seniors, the following statistics were collected. Column abbreviations break out the data as follows: **Accptd.** = the number of Oak Park seniors who reported that they were accepted by this school; **Attndg.** = the number of seniors who reported that they have committed to attend this school; **Avg.AP/C/H** = the average number of AP, College and Honors courses taken by the student(s) who will be attending this school. It should be noted that all data is based on information provided by the students themselves. **GPA** = the average GPA of those seniors who reported they were attending this school. (**GPA** = OPHS cumulative weighted GPA)
