

Class of 2018

The Oak Park Class of 2018 received tremendous recognition from colleges and universities throughout the country! In an exit survey administered to our 364 graduating seniors, the following statistics were collected. Column abbreviations break out the data as follows: **Accepted** = the number of Oak Park seniors who reported that they were accepted by this school; **Attending**= the number of seniors who reported that they have committed to attend this school; **Average AP/C/H** = the average number of AP, College and Honors courses taken by the student(s) who have committed to attend this school. **Average Unweighted GPA** = the average unweighted GPA of those seniors who have committed to attend this school. Or, if none of our students have committed to attend this school, this will be the average unweighted GPA of all admitted students. **Average UC/CSU Weighted GPA** = the average weighted GPA according to the UC/CSU GPA formula. **Average SAT or ACT** = the average SAT or ACT of those seniors who have committed to attend this school. When you see a “-“ it means there was no data to report for this field.

Denied = the number of Oak Park Seniors who reported that they applied and were denied by this school. For schools where there were no students accepted **Average AP/C/H** = the average number of AP, College and Honors courses taken by the student(s) who were denied by this school. For schools where there were no students accepted **Average SAT or ACT** = the average SAT or ACT of those seniors who were denied by this school. For schools where there were no students accepted **Average Unweighted GPA** = the average unweighted GPA of those seniors who were denied by this school
