GRADING SYSTEM

Given that classes focus on the overall rigor of a student’s program, the OPHS faculty believes that weighted grade points should not be a deciding factor in a student’s course selection process. We always encourage students to take the most rigorous courses they are capable of in the subjects where they have both demonstrated ability and passion. Oak Park High School does not assign weighted grades for any courses. The OPHS GPA is calculated using the following grade points for all classes. Letter grades are given numerical values as follows:

A+ = 4.0  B+ = 3.0  C+ = 2.0,  A = 4.0  B = 3.0  C = 2.0
D = 1.0  F = 0.0  NM = No Mark
P = Pass  I = Incomplete  W = Withdraw

Honors courses are noted on the transcript with an “H.” Advanced Placement classes are noted on the transcript with an “AP.” +/- notations are for information only, and are not included in the OPHS GPA calculation.

GRADUATION RATE
Oak Park’s first graduating class of 78 students culminated in June, 1983. The school graduated a class of 369 in 2019 with 346 anticipated for 2020. The graduation rate for 2019 was 100%.

CLASS RANK
It should be noted that Oak Park is a highly College Preparatory High School. Our graduation requirements are the most rigorous of any school (public or private) in Ventura County. Eighty percent of our students successfully meet the admission requirements for the University of California and California State University Systems. The class of 2019 had a median unweighted grade point average of 3.4, and the top 15% carried a 3.75 or higher unweighted grade point average. We do not rank and believe that numerical and percentile rankings do not give an accurate representation of the accomplishments of our students. Because of the rigor and quality of our programs, our graduates are extremely well prepared for success in college.

SCHOOL SCHEDULE
The Oak Park High School year includes two semesters of eighteen weeks. The school day is divided into 3 classes of approximately 95 minutes each on the block schedule with the option of a 0 period that meets daily. Periods 1, 3, and 5 meet one day and periods 2, 4, and 6 meet on the alternate day. 7th period academic support time is offered daily at the end of the school day providing access for all students to our faculty members.

COLLEGE ATTENDANCE RATES
Students graduating from Oak Park High School have a high rate of college admission and attendance. 97.3% of the class of 2019 is attending college (at either 4 or 2 year schools). 75.1% received offers of admission from 4 year schools, and 67.5% of our seniors accepted offers and are now attending 4 yr. schools. 29.8% are now attending 2yr. • Magna Cum Laude – meaning "with great praise" is the second highest recognition awarded at graduation. To qualify for magna cum laude, a student must achieve a 3.70 – 3.89 grade point average on an unweighted 4.00 scale.

The "with Honors" Designations:

The following Honors distinctions will be added based on the number of Honors & AP semesters a student will have completed through the end of their Senior Year:
