

Oak Park Instrumental Music Association

Requested Donation Form

We are the music booster group created to support, enhance and promote the Instrumental and Music Programs within the Oak Park Unified School District. Your family is automatically a member of OPIMA if you have a student enrolled in band class. Every year we rely heavily on the generosity of our OPIMA families to help us maintain the instrumental music department at Oak Park High School. Your generosity helps our students grow as musicians. We are so lucky to have this amazing program available to our students. Please support it like you would any of your student's favorite activities.

Any donation amount is welcome. Based on our needs this year please consider a No Frills Donation amount of \$200 for each ensemble your child participates in this year.

Thank you for helping us nurture and improve the OPHS instrumental music program!

In order to deliver a high-quality music program for students at OPHS, we depend on the voluntary donations of parents. Please know again, however, that ALL students will receive the same opportunities, experiences, and/or materials regardless of whether a contribution is made. Please also know that if we do not raise the anticipated amount set aside for the budget this year, the program will have to cut back on extra opportunities for our student musicians in the future. We are committed to holding fund-raisers throughout the year to help fund our program expenses.
