

YOU ARE INVITED TO ATTEND AGOURA HIGH'S NEXT PARENT EDUCATION NIGHT

BACK BY POPULAR DEMAND FOR THE SECOND YEAR IN A ROW!

**College Counselor and Author, *Danny Ruderman*,
for a Special College Workshop for parents and students.**

Here's just a sample of what Danny will cover:

- * **Find out how to effectively partner with your teen.**
Hear from students and parents what has worked for them!
- * **Discover insider tips of how to stand out!**
Learn how students can showcase their strengths to individual schools. Find out the latest strategies for getting into the U.C. System.
- * **Get a Step-by-Step Timeline**
Discover proven strategies to get organized and meet deadlines early.
- * **Learn about how to find colleges that match a student's interests.**
These include overlooked and unique colleges such as art, music and performing art schools; schools with learning disability programs; and schools for students with less than "B" averages.
- * **Learn exactly what admissions officers are looking for in college essays.**
Discover how to craft your own really GREAT essays that will get noticed!
- * **Updates on changes to testing and UC/Cal State admissions**

Danny Ruderman started his parent company, Enlighten Learning Inc., in 1997 as a tutoring, test preparation and college admission counseling enterprise. He graduated with Honors from Stanford University and holds a BA in Human Biology with an emphasis in Education. Danny has worked as an educational therapist for K&M Associates in Los Angeles and as a standardized test instructor for Ivy West. He is also a member of the Western Association of College Admissions Counselors (WACAC). He has been featured on television and radio programs, as well as in periodicals such as *NPR's Marketplace*, *Fox News*, and *The Los Angeles Times*. www.admitu.net
