The Second World War
UNIT 10
Presented by:
Mr. Anderson, M.Ed., J.D.

Objectives
- Describe the role of America from isolationism to world power in WWII
- Discuss the relationship of Allied powers in developing a strategy for WWII
- Analyze both the role of American industry on the home front & the social implications on women & minorities during WWII

U.S. Military Ranks - Army & Marines

U.S. Military Ranks - Navy

U.S. Military Ranks – Army Air Force

U.S. Military Ranks – Coast Guard

Fascism and Nazism
- During the 1920's & 1930's, Germany, Italy, and the USSR had totalitarian governments that used terror to suppress individual rights and opposition.

Fascism
- Hitler & Mussolini based their govt. on fascism, which places the importance of nation over the importance of the individual.
- Both focused on the need to rebuild their country through CONQUEST
  - allowed private business (unlike Communism)
  - no individual freedom (like Communism)

Benito Mussolini
- WWI veteran
- Believed Italy deserved land in the Treaty of Versailles
- Called "Il Duce" the leader
- Used "Blackshirts" to administer terror throughout Italy
• Suspended elections.
• Attempted to deal with societal problems through deflection.
  • "The Country is nothing without Conquest."
  • Will conquer Ethiopia in 1936.

• Austrian born & a painter by trade.
• Fought in WW1 & wounded.
• Enraged by the Treaty of Versailles "War-guilt" clause.
  • In 1919, he joined the National Socialist German Worker’s Party (NSDAP).
  • Attempted to overthrow the govern’t. in 1923 (Munich Putsch) but fails.
    → sentenced to 5 yrs, spending 9 mos. in jail.

  • Planned to strengthen the military and expand the borders to include Germans living elsewhere.
  • Promised to fix the economy and bring a sense of national pride back to the German people.

• 1932 elections Nazi Party (NSDAP) becomes largest group (37%) in Reichstag (lower house of German parliament).
• 1933 Presidential elections Paul von Hindenburg wins over Hitler.
  • Newly elected President von Hindenburg appoints Hitler Chancellor (head of German govern’t.)

• 1932 election the Nazi Party becomes the largest group in the Reichstag.
• 1932 Presidential election: Paul von Hindenburg wins over Hitler.
  • Newly elected President von Hindenburg appoints Hitler Chancellor (head of German govern’t.)

• 1936, Hitler signs an alliance with Mussolini – ("‘Axis’ between Berlin and Rome"

• 1938, Hitler annexes Austria (Anschluss or political union with Germany),a huge gamble since it broke the Treaty of Versailles.

• Neither Britain nor France stand up to this act of aggression (Hitler had said he would back down).
• 1936, Hitler signs an alliance with Mussolini – ("‘Axis’ between Berlin and Rome"
• Encouraged by a lack of consequences, he annexed Austria (Anschluss or political union with Germany) in 1938 (more defiant now).
• Hitler next demanded control of the Sudetenland, an area of Czechoslovakia with a high German population.
• In an effort to avoid war, England, France, Germany, and Italy met at the Munich Conference in 1938.

Churchill’s Quote
• "Britain and France had to choose between dishonor and war. They chose dishonor, they will have war." - Winston Churchill

Annexation of Czechoslovakia
• In March of 1939, Hitler annexes the rest of Czechoslovakia.
• In response, Britain and France formally pledge to support Poland.
• Hitler signs a pact with Stalin (Molotov-von Ribbentrop), then invades Poland on Sept. 1, 1939.

German Aggression 1936 - 1939
• Using a strategy called the "blitzkrieg," Hitler overran Poland, in less than a month.
• Under the secret non-aggression pact with Germany, in mid-September, Soviets attacked eastern Poland. (The only country to pay their WWI war debt.)

The Calm Before the Storm
• After the fall of Poland, a lull in the action stalled further advancement.
• Newspapers in America and Western Europe called this stage of the war the "Phony War."
• The Germans called this the "sitzkrieg."
• While not waiting to fight a two-front war, German troops had been sitting on the Maginot Line.
A series of state-of-the-art forts and underground fortifications meant to deter eastern invasion from Germany.

Built after WWI.

In April of 1940, this lull came to an end with the German attack on Denmark and Norway.

Early May, Hitler circumvented the Maginot line & attacked Belgium, the Netherlands & France.

In April of 1940, this lull came to an end with the German attack on Denmark and Norway.

For shipping reasons.

Early May, Hitler circumvented the Maginot line & attacked Belgium, the Netherlands & France.

British forces retreated to Dunkirk, a tiny city in France where over 9 days, 900 vessels will carry 300,000 soldiers across the channel to Great Britain.

The German luftwaffe scattered forces on the evacuation.

Operation Dynamo or "miracle at deliverance" by Winston Churchill.

On June 14-22, 1940 to the dismay of the western world, France fell as German troops entered Paris.

It took less than 3 months for Germany to defeat nearly all of Western Europe.

Full explain the policy of appeasement & how it was a direct cause of the Second World War.

Greatest air assault the world had ever seen!

1,000 planes a day rained bombs on London.

RAF defended brilliantly, sometimes flying 7-8 missions/day.

The Blitz lasted for 1 year, at the cost of 30,000 Londoners.

Never in the field of human conflict has so much owed by so many to so few." Churchill praising the RAF.

"Never in the field of human conflict was so much owed by so many to so few." Churchill praising the RAF.
Japan Builds an Empire

- Japan was eager to expand its empire for additional resources & raw materials, markets for its industries, & to accommodate its expanding population.

- World leaders & many Japanese people were surprised when Japan invaded and seized a mineral-rich area of China called Manchuria.

The American Response

- In September 1940, FDR sent 50 old destroyers to Britain in return for the opportunity to build bases in British territory in the Western Hemisphere.
- Did this in response to Hitler’s advance into France.
- Congress authorized the first peacetime draft.
- Selective Service Act
  - Males age 18-36 must register

The American Response

- In October 1940, FDR was elected to a 3rd term:
  - Based on this, FDR passes the lend-lease act, allowing military aid available to all who needed it based on our desires for national security.
  - The “Great Arsenal of Democracy.”

Japan Attacks Pearl Harbor

- In Dec. 1941, Gen. Hideki Tojo becomes the Prime Minister of Japan.
- He supported war with the United States in response to the cut-off of oil & scrap metal from the US.

Economy of Japan in the 30’s

- Just as America was in a depression in the 1930’s, so was Japan and much of the rest of the world.
- As a result, the Japanese military grew in size & might and by 1940, Japan controlled most of Eastern China.

Japanese Expansion

- In 1940, Japan set its sights in S.E. Asia & the Dutch East Indies.
- They signed pacts with Germany, Italy, and the USSR.
- The stage was set for the Japanese to challenge the Americans & Europeans for control of Asia.

The American Response

- America watched with concern and moved the naval pacific fleet to Pearl Harbor in Hawaii.
- America remained neutral following their policy of isolationism:
  - Neutrality Acts
  - Cash & carry
  - American involvement will slowly grow.

The American Response

- In Oct. 1941, Gen. Hideki Tojo becomes the Prime Minister of Japan.
- He supported war with the United States in response to the cut-off of oil & scrap metal from the US.
Pearl Harbor Attack
U.S. Pacific Fleet
- Dec. 7, 1941 from 7:55-8:45 AM
- 2,400 American servicemen killed, 1,200 wounded
- 700+ planes destroyed, 18 warships destroyed, and 8/9 naval battleships destroyed – no aircraft carriers
- Japan lost 229/180 planes used in the 6 carriers, 20 support ship attack.

Main Japanese Goal:
- Destroy 3 aircraft carriers of the U.S. Pacific Fleet;
- 3 were at sea that day (Lexington & Enterprise), and 1 (Saratoga) was in San Diego undergoing repairs.

Pearl Harbor

Doolittle’s Raid
April 18, 1942
- USS Hornet (CV-8)
- Led by Lieutenant Colonel “Jimmy” Doolittle
- Earned Medal of Honor & promoted to Brigadier General
- 16 B-25’s with 5 man crew
- Bombed Tokyo
- Boosted Allied & American Morale

Doolittle’s Raid
April 18, 1942
- Led by Lieutenant Colonel “Jimmy” Doolittle
- Earned Medal of Honor & promoted to Brigadier General
- 16 B-25’s with 5 man crew
- Bombed Tokyo
- Boosted Allied & American Morale
Doolittle’s Raid

August 1941: Atlantic Charter
- FDR & Churchill met on a boat off Newfoundland
- War’s aim & agree to a set of principles to guide them in the year’s ahead
- This would be the basis for the United Nations.

The Road to Victory in Europe

America Mobilizes for War
- >16 million Americans served
  - G.I.’s (government issued)
  - Women
    - African Americans
      - ~15,000,000
    - Mexican Americans
      - ~1,000,000
    - Native Americans
      - ~150,000
    - Women
      - ~50,000
    - Japanese Americans
      - most fought in segregated units

FDR and Churchill - Atlantic Charter

Battle of the Atlantic
- America fought to keep German submarines (U-boats) from isolating Great Britain in this battle
- USA & GB used convoys to protect Allied ships from these “wolf packs.”
  - Atlantic Ocean - Wolf packs sunk ~175 ships in June 1942

Women
- We Can Do It!

German Wolfpacks

Fighting in N. Africa & Italy
- Allies first struck the Germans
- Britain had been fighting German & Italian troops in N. Africa since Aug. 1940
- Nov. 1942: Battle of El Alamein (Egypt)
  - British will win a decisive victory with the help of the United States (British General Bernard Montgomery)
  - Germans sought to capture the Suez Canal, forcing the British to counter-attack and defeat the Germans.
  - 100,000 German & Italian soldiers were killed, captured, or wounded. Despite Hitler’s orders to fight to the death.
Feb. 1943 - Kasserine Pass
- Tunisia: 1st time American troops come into contact & fight the Nazis.
- US is routed, setting off massive changes in how American servicemen are trained.
- Both sides will meet sooner than later and the changes were effective.
- Rommel attacked to disrupt communication lines between the allies.

End of the North African Campaign
- Churchill & FDR will meet at the Casablanca Conference in Casablanca, Morocco (Jan. 1943) to strategize about the war.

The Desert Fox
- Gen. George S. Patton

The Invasion of Italy
- July 1943: American troops under the leadership of George Patton (7th Army) will attack Sicily, just south of the mainland. (Stalin wanted an attack from the West)
- This was considered the "soft underbelly" of Europe.

Sicily
- Sicily fell in 38 days; Mussolini was overthrown.
- September of 1943, Italy formally surrenders.
- At this point, Italy was nothing more than a battleground between the Germans and the Allies led by the Americans.

Sicily
- Operation Mincemeat

German Retreat Through Italy
- As Germans retreated up the peninsula, they destroyed roads and bridges, slowing the Allied advance.
- To combat, Americans in Jan. 1944 land behind German lines at Anzio (amphibious assault - Operation Shingle) 35 mi. South of Rome.
- A 4 month battle will ensue costing thousands of U.S. lives, but Americans break through.

Victory at Anzio
- After the battle of Anzio, U.S. will quickly capture Rome and are welcomed as heroes.
- Toll:
  - US: 16,200 combat casualties
  - Germans: 23,500 combat casualties.
- Germans in N. Italy surrender in April 1945.
- Mussolini shot & killed same month.

Anzio
War in the Soviet Union
- As the Allies battled across N. Africa & S. Europe, an epic struggle had been continuing in Eastern Europe.
- As early as 1924, Hitler had called for conquest eastward for living space (lebensraum).
- After the Battle of Britain, he broke his pact with Stalin & launched a surprise attack on the USSR on June 22, 1941.

The Germans Advance
- OPERATION BARBAROSSA:
  - ~3,600,000 Axis troops
  - across the western border from the Baltic Sea in the north to the Black Sea in the south
  - ~1800 mi. long front
- ~3,000,000 Soviet (Red Army) soldiers
- poorly equipped & not well-trained (many officers lost in the Great Purges)

Operation Barbarossa Map

Operation Barbarossa
- The Germans were brutal
  - Luftwaffe controlled the skies
  - troops penetrated deep into Soviet territory, murdering large numbers of civilians.
  - The Russians adopted a scorched-earth policy, destroying anything useful to the Germans as they retreated.

Stalin’s Plea For Help
- Stalin was in trouble; he needed help quickly
  - He first inquires about aid through the lend-lease act, however Congress will block aid to Russia until 1942.
  - By summer of 1942, major Soviet cities were being threatened with attack.

3 Prong Attack

A Call for a Two-Front War
- Stalin desperately urged the Allies to launch an attack on western Europe to relieve pressure and force Germans to fight a two-front war.
- Churchill deemed it too risky and persuaded FDR to wait.

The Battle of Stalingrad
- In Sept. of 1943, the Red Army decided to make its stand at Stalingrad, a major city
  - Germans bombed and shelled for two months, hoping to soften resistance.
  - House to house fighting began, resulting in large casualty numbers for both sides.

The Battle for Stalingrad
In mid-November, taking advantage of a harsh winter, the Soviets counterattacked, surrounding the German army.

In late January of 1943, the Soviets made their last final assault on a freezing German army. 90K Germans surrender.

The Cost of Stalingrad
- Germans lost 330,000 troops
- The Soviets never disclosed official numbers, but believed to be ~1,000,000
- This battle was the turning point in the war in the East. A long struggle to re-take lost territory commenced.

The Battle of Stalingrad
- Germans lost 330,000 troops
- The Soviets never disclosed official numbers, but believed to be ~1,000,000
- This battle was the turning point in the war in the East. A long struggle to re-take lost territory commenced.

For the Motherland
- In mid-November, taking advantage of a harsh winter, the Soviets counterattacked, surrounding the German army.
- In late January of 1943, the Soviets made their last final assault on a freezing German army. 90K Germans surrender.

The Soviets never disclosed official numbers, but believed to be ~1,100,000.

This battle was the turning point in the war in the East. A long struggle to re-take lost territory commenced.

Eternal Flame

Battle of Kursk
JULY 5 - 13, 1943

T-34 v. Tiger
**Ferdinand Destroyers**

**Largest Tank Battle in History**
- Germans (1/3 strength) led by General Eric Von Manstein (conquered France)
  - 780,000 men
  - 15,000 artillery/anti-tank guns
  - 1,700 tanks
  - 2,000 aircraft
- Soviets commanded by Georgi Zhukov
  - 2,000,000 men
  - 25,000 artillery/anti-tank guns
  - 5,000 tanks
  - 3,600 aircraft

**The Road to Berlin**
- The Battle of Kursk lasted 8 days
- 500,000 killed/wounded/missing
- 3,000 tanks destroyed
- Soviets pursue Germans back to Berlin
- Last major German offensive

**Invasion of Western Europe**
- Stalin advocated invasion from the West
- Many thought Gen. George Marshall would lead the invasion
  - Strong advocate of invasion
  - Supported Western invasion since America’s war entrance

**George Marshall**
- Truman appointed Dwight Eisenhower
- Marshall was needed at home & became Army Chief of Staff (1939)
- Marshall will earn the Nobel Peace Prize in 1953 for his Marshall Plan (economic recovery plan) which will rebuild Europe after WWII

**Marshall Plan**

**The Air War**
- The RAF had begun bombing Germany in 1940
- RAF used mainly night-time bombing raids because of resistance
- Began bombing German cities shortly after 1940
- The British employed “carpet bombing”
  - German cities suffered greatly
In Spring 1943, the RAF intensified bombing raids to soften Germany for invasion. 

At the same time, a massive build-up of troops & supplies began in S. England.

Germany strengthened defenses along the French coastline with machine guns, underwater mines, & barbed wire.

Just after midnight, Operation Overlord begins. 

Largest landing by sea in history ~150,000 British & American troops along 40 mi Normandy coast.

4,600 invasion craft

1,000 RAF bombers

23,000 paratroopers behind enemy lines.

At dawn, warships massively shell the French coast.

1,000 aircraft and 150,000 Allied troops & equipment begin the invasion.

Despite advice to counter-attack, Hitler hesitates to commit more troops to Normandy.

Hitler believes a larger invasion (allied deception) at Calais is imminent (Gen. Patton).

On Omaha Beach, there will be 2,000 American casualties.

Within a week, 500,000 Allied troops will be in France.

By July 1944, there will be 2,000,000

Paris liberated on August 25, 1944.

At the same time, Americans crossed the Western borders of Germany where they met stiff resistance.

Hitler youth were called into action, some as young as 15.

Allies entered Germany & soon to liberate W. Europe. Hitler counter-attacked one last time in Belgium and Luxembourg.
Battle of the Bulge

December 1944
- German attack overwhelmed the Americans, dislocating the 101st Airborne and surrounding them at Bastogne, France
- Germany calls for U.S. surrender ("NUTS")
- Patton's 4th armored division saves the day
  - moves his entire 3rd Army of 250,000 men over 200 miles in 2 days to reinforce the 101st Airborne division (largest battle fought by U.S. Army)
- Largest Battle in W. Europe
  - 600,000 U.S. / 500,000 German losses

Berlin Falls

War Ends in Europe
- By March of 1945, Americans & Soviets close in on Berlin
- 5,000,000 Soviet troops (20-25,000/000 Soviets die in WWII)
- Soviets capture Berlin - a matter of HONOR
- In late April, 1945 Berlin falls to the Soviets.
- May 8, 1945 Germany Surrenders V-E Day

Hitler's Death
- April 30, 1945
  - Married Eva Braun (April 29th)
  - Death by Cyanide and self-inflicted gunshot (Walther PPK 7.65 mm)

Largest Battle in W. Europe
- 600,000 U.S. / 500,000 German losses
- German losses ~100,000

Hitler with Eva Braun

Germany Surrenders
- On May 8, 1945, Germany's remaining troops surrender
- V-E Day
- U.S. now concentrates on the Pacific Campaign

The Yalta Conference
- Feb. 1945, Stalin, FDR, & Churchill meet
- Purpose: Plan the post-war world
- Germany & Berlin would be split into 4 zones
- Stalin promised to allow free elections in nations he liberated, also promised to enter war against Japan 30 days after Germany surrenders
- August 8, 1945 - USSR declares war on Japan & launches a general offensive in Manchuria, N. Korea & Sakhalin

Concentration Camps
- There were 20 - 25 of these camps, modeled after the Dachau concentration camp
- Purpose of these camps
- Horrendous crimes against humanity
- Nuremberg Trials = Nov. 1945
- Simon Wiesenthal (Nazi hunter)

Warm-up #6
- Describe Operation Overlord. What were the tactics the Allies used to invade France successfully?
- How was General Patton used in the D-Day invasion?
- What was the first French city liberated on D-Day?
Japanese Advancement 1941-1942
- American forces shattered at Pearl Harbor
- Japanese have easy access to Natural Resources
- Japan attacks:
  - Hong Kong, Singapore, Dutch East Indies, Malaya, & then Philippines
  - Oil & Dutch East Indies
  - Rubber form Malaysia

Japanese Advancement after Pearl Harbor
- General MacArthur forced to retreat to the Bataan Peninsula after a large Japanese force landed on Luzon
  - Hoping the Navy could evacuate his army at Corregidor
- Americans held out on the peninsula at Corregidor for four months
  - FDR orders General MacArthur to escape to Australia

Philippines
- In May 1942, the Philippines fall to the Japanese
- 76,000 Americans and Filipinos taken hostage
  - "i shall return"

The Bataan Death March
- Prisoners were split into groups of 500-1000 & marched 60 miles in 12-15 day journeys to a R.R. junction for transport
  - Army camp threatened to starve the remaining 6,000
- 10,000 die on this forced march (death, execution & starvation)
  - 15,000 more die at camp

The Bataan Death March
- It took 8 years for news of the forced march to reach the United States
- Several Japanese generals were executed for their actions

War At Sea by Aircraft
- May 1942 - Battle of the Coral Sea
  - Northeast of Australia, this was the first real naval battle carried out entirely by planes
  - Aircraft carriers and battleships never saw each other

Battle of Coral Sea
- 5 day battle
  - Both sides lost half of their airpower
  - 1 US carrier sunk (Lexington), another (Hornet) another (Enterprise)
  - 1 Japanese carrier sunk, 3 out of action & a third - 1 out of 5 planes
  - Militarily a draw, strategically Japan gained a base in Australia

Allied Victories Turn the Tide
- While the Soviets resisted the Nazis & the Allies prepared to invade North Africa, 2 critical battles in the Pacific took place
  - Midway
  - Guadalcanal
  - These were 2 strategic islands in the Western Pacific

Midway Island
- June 04, 1942
• Admiral Yamamoto lured the American fleet to this island, 1100 mi. N.W. of Hawaii because he believed the destruction of the rest of the American fleet would win the war.

• The Japanese lost all four carriers & 290 aircraft
• U.S. lost aircraft carrier USS Yorktown

• No more Japanese offensives
• TURNING POINT OF THE WAR IN THE PACIFIC

• Located in the Solomon Islands
• Why Control the Solomon Islands?
  - Threaten Allied Bases
  - Lines of communications w/ Australia
• U.S. able to take the offensive after The Battle of Midway

• US will use an "island-hopping" tactic to move NW from Australia to Japan
• Started in the Solomon Islands, then continued through the Gilbert Islands, which were used to launch bombing raids on the Marshall Islands
• Marshall Islands used to launch raids on the Mariara Islands & capture them
• From the Mariara Islands, American bombers (B-29 Superfortresses) could reach Japanese cities to bomb them
The Philippines Campaign
- Americans can't offensive
  - General Douglas MacArthur's plan to re-take the Philippines from the Japanese. ("I shall return") 2 1/2 years later he does.
- Battle of Leyte Gulf
  - Mid-Oct., 1944. 160,000 American troops invade Philippine Island of Leyte

The Battle of Leyte Gulf
- 3-Day Battle
  - 300 warships to beat the Japanese
  - Largest naval battle in history
- 1st use of Kamikaze attacks on American ships
- Significant Japanese losses
  - Nearly their entire Navy
  - 80,000 killed, only 1000 surrender

Leyte Gulf
- Kamikaze pilots flew their bomb loaded aircraft into US warships
- Inflict maximum damage & casualties

Western Pacific
April – July 1944

Saipan
- This is the first Japanese-owned island the US invades.
- This island is the scene for the movie "Windtalkers"

Windtalkers
Battle of Iwo Jima (Feb. 19, 1945)
Operation Detachment

- A very bloody battle!
- Iwo Jima is a volcanic island close to mainland Japan filled with tunnels & caves.
- U.S. aircraft bombed Iwo Jima for 74 days before amphibious landing.

Iwo Jima

- Warships would fire 20K shells onto the island while aircraft dropped 7K tons of bombs from Nov. - Jan. (74 Day period)
- In mid February 1945, 110,000 marines landed & advance only 700 yards inland in 3 days, encountering heavy fire from about 29,000 dug-in Japanese soldiers.
- Airfield was the target.

Iwo Jima

- The goals of the Japanese:
  - Fight to the death (216 Japanese taken alive)
  - Shoot & hide from tunnels & caves to reduce Japanese casualties
  - Kill 10 Americans for every Japanese casualty
  - Don’t give up the airfield

Iwo Jima

- 1945
  - 25,851 casualties
  - 6825 killed
  - 27 Medals of Honor
    - 22 Marines
    - 5 Navy
    - 13 posthumously
  - 30,000 Japanese
    - Only 216 Japanese taken alive

350 Miles from Japan

- Japan’s last holdout = Okinawa (historically Japanese soil)
- Defended by 150,000 Japanese (pledged to fight to the death)
- 180,000 U.S. soldiers
- 1,900 warships
- ~2000 kamikaze attacks
- April & June of 1945

Okinawa

- 82 day Battle
- 250,000 people killed
- ~150,000 Okinawans ~1/3 pop. killed
- No battle except Stalingrad killed more civilians
- U.S. 50,000 Casualties (Costliest in Pacific War)
- 56,000 wounded, 12,000 KIA/missing
- Kamikaze aircraft & Banzai charges
- U.S. Navy lost 36 ships and 308 damaged

FDR Dies

- April 12, 1945
The Manhattan Project

- U.S. Army prepares for invasion of Japan, (Operation Downfall)
  - Albert Einstein (physicist) talks of a new weapon & encourages FDR to develop it
- Development of the Atomic Bomb
  - J. Robert Oppenheimer in charge
    1. 160,000 people
    2. 37 sites
    3. 4 years

Germany Hard at Work

- In the early 1940's, Germany was very close to being the first to develop the bomb.
- Key scientists, realizing the devastation that could result from Hitler getting the bomb, fled to the U.S.
- These scientists knew how to split the nucleus of an uranium atom, needed a chain reaction

Chicago, 1942

- In 1942, a scientist, Enrico Fermi (Italian) got a chain reaction to occur in a lab @ University of Chicago
- July 16, 1945, NM desert at Alamogordo, the first atomic bomb test, shattering windows 125 miles away

Alamogordo
July 06, 1945
BOE's Trinity

The Decision

- "The Buck Stops Here"
- Took into account the casualties at Iwo Jima (25K) & Okinawa (50K)
- Invasion of Japan could result in over 1,000,000 American casualties
- Considered it a military weapon

Operation Downfall

The Action

- On Aug. 6, 1945, the Enola Gay dropped the first atomic bomb on Hiroshima

Little Boy and the Enola Gay

Hiroshima
Because of Japan's unwillingness to surrender after the first bomb is dropped on Hiroshima, a second bomb is dropped 3 days later on Nagasaki.

August 14, 1945, Gov't. of Japan accepts the American terms for surrender.

August 15, 1945, V-J Day.

On Sept. 2, 1945, Japan formally surrenders aboard the USS Missouri.

Began before Pearl Harbor – FDR: America as the "Arsenal of Democracy" – April 1941 - Lend/lease Act: Congress would permit the U.S. to send war materials to the Allies to wage war against Hitler in the name of American National Security – Will set the stage for America's entrance into WWII.

Millions of new workers needed.

April 1941 established by Executive Order – keep shortages from sending prices up. – control inflation by limiting prices & rents. – Overseas the rationing (coupons or ration books) of scarce resources: sugar, coffee, meat, butter, canned fruit & shoes. – gasoline. – Familiar consumer items were unavailable for the duration of the war: metal for zippers & typewriters went to guns & rubber for Army, vehicles instead of bicycle tires, nylons for parachutes.

If you have questions about your rent call or write your nearest OPA office.

Executive Order (EO) 8802
War Production Board

- Jan. 1942
  - Set up to direct wartime conversion of peacetime industries to those that made war goods
  - Halted production of civilian goods (cars)
  - Gave out contracts & scheduled production
  - Set priorities & allocated raw materials

Office of War Mobilization

- This was a "super agency"
- In May of 1943, this was created to work very closely with the President & central agencies dealing with war production
- James F. Byrnes was the leader of this agency
  - His nickname during WWII was the "assistant president"
  - FDR ran the war, Byrnes ran the country at home

The Cost Plus System

- During war businesses must make money
- Guaranteed profits for businesses through contracts
- System for military contracts
  - Motivates businesses & guarantees profit
  - Military pays for development & production costs & added a % of costs as a profit

Financing the War

- Fed. spending increased $8.9B in 1939 to $95.2B in 1945
- GNP doubled
- R/to '41 - 45 Gov't spent $331B (15x WWI)
