NUTRITION SURVEY

During the 2014-2015 school year, changes will be implemented to OPHS's food program. This survey is **anonymous** and upon completion, **[INSERT INCENTIVE.]** Please respond to these questions **honestly** as your opinion is important. Thank you.

- How many times did you buy lunch from the school cafeteria last week? _____
- If OPHS served mainly a plant-based diet, what is the greatest amount more you would pay for meat and poultry products at school? **(Circle one only)** Note: Currently, an entrée is \$4.25.

\$0.00 \$0.01-\$0.50 \$0.51-\$1.00 \$1.01-\$1.50 \$1.51-\$2.00 \$2.00+

- What is the greatest amount more you would pay for an organically grown entrée? **(Circle one only)** Note: Currently, an entrée is \$4.25.

\$0.00 \$0.01-\$0.50 \$0.51-\$1.00 \$1.01-\$1.50 \$1.51-\$2.00 \$2.00+

- If there were a salad bar at school, how many times a week would you like it available? _____

- If there were a juice bar at school, how many times a week would you like it available? _____

- Rate the importance of having poultry in your lunch.

Not Important		Important							
1	2	3	4	5	6	7	8	9	10

- Rate your willingness to try meat substitutes made from soy and other plant-based proteins.

Not Willing		Willing							
1	2	3	4	5	6	7	8	9	10

- Rate your interest in trying international foods at lunch.

Not Interested		Interested							
1	2	3	4	5	6	7	8	9	10

- Rate the amount of fresh fruits and vegetables you want to see on the lunch menu.

Less		More							
1	2	3	4	5	6	7	8	9	10

My favorite cafeteria lunch item is: _____
