B. SUPERINTENDENT EVALUATION

ACTION

2. BUSINESS SERVICES

- g. Approve Award of Contract for Project 14-27, District-Wide Network Cabling Project**
Board Policy 3312 requires Board approval for contracts for services

Date: May 29, 2014

Anthony W. Knight, Ed.D.
Superintendent and Secretary to the Board of Education

TO: MEMBERS, BOARD OF EDUCATION
FROM: DR. ANTHONY W. KNIGHT, SUPERINTENDENT
DATE: JUNE 3, 2014
**SUBJECT: 2.g. APPROVE AWARD OF CONTRACT FOR PROJECT 14-27,
DISTRICT-WIDE NETWORK CABLING PROJECT**

ACTION

ISSUE: Shall the Board of Education approve the award of a contract for Project 14-27, District-wide Network Cabling?

BACKGROUND: Included in the many Board-approved projects to be completed this summer are district wireless network upgrades, and district-wide installations of security cameras, VOIP telephone service, energy monitoring systems, upgrades to the bell and public address systems, and networking of digital thermostats. In order to support these systems, it is necessary to upgrade the district's network cabling. To that end, a Request for Proposal (RFP) was issued for district-wide network cabling upgrades, and three companies responded:

Contractor	Proposal -	
	Plenum Rated	Proposal: Non-Plenum Rated
PacifiCom	\$158,978.00	\$106,095.36
On Target	---	\$153,971.00
CompuVision	\$304,753.30	---

District staff has confirmed that Non-Plenum rated cabling can be used, which is the lower cost option. It is important to note that PacifiCom's proposal adds a 2% charge for performance, payment and labor bonds (required), but also provides a 5% discount for performing all cabling sub-projects at all sites (recommended by staff). It is the staff recommendation that the Board award a contract for this project to PacifiCom, in the net amount of \$102,806.42. The PacifiCom proposal is attached for the Board's review. The project will be funded from Measures R and C6, and from Proposition 39.

ALTERNATIVES:

1. Approve the award of contract for Project 14-27, District-wide Network Cabling to PacifiCom, Inc., in the net amount of \$102,806.42
2. Do not approve the award of contract for Project 14-27.

RECOMMENDATION: Alternative No. 1

Prepared by: Enoch Kwok, Director, Educational Technology and Information
Martin Klauss, Assistant Superintendent, Business and Administrative Services

Respectfully submitted:

Anthony W. Knight, Ed.D.
Superintendent

PROJECT: Oak Park Unified School District

SCOPE: WAP/Camera/TSAT/Energy Cabling

QUOTE: 94904

We propose to provide and install WAP, camera, TSAT and energy cabling per plans and scope of work dated May 8, 2014. We will install Belden category 6 and 6A cable and Hubbell data jacks. Our price includes installation labor, cable, jacks, fire sleeves and fire stopping, patch panels, outlet boxes, j-hooks, testing, documentation and sales tax. Patch cords, network switches, UPS, WAP's, cameras, WAP and camera installation is not included.

Pacificom will not subcontract work or services.

TOTAL PRICE - PLENUM CABLE: \$158,977.74

TOTAL PRICE - NON-PLENUM CABLE: \$142,692.07

- Please add 2% for Performance; and Payment and Labor bonds, if required.
- We will offer a 5% discount if all proposed work is included at the same time of installation.
- Cost breakdown by site and scope is attached.
