Policy and regulation being updated to reflect new law (AB 329) which requires districts to provide comprehensive sexual health education in grades 7-12 and to integrate such instruction with HIV prevention education. Policy also updated to clarify requirements related to parental consent. Regulation adds new section on “Definitions” and, pursuant to AB 329, expands program criteria and merges the components of sexual health education and HIV prevention education.

b. Approve Amendment to Board Policy 6146.1 – High School Graduation Requirements – First Reading

Policy is being updated to reflect new law (SB 172) which suspends, through the 2017-18 school year, the requirement that each student completing grade 12 successfully pass the high school exit exam as a condition of receiving a diploma or graduating from high school and requires districts to retroactively grant a diploma to any student who met all graduation requirements other than the exit exam requirement since the 2003-04 school year.

c. Approve Amendment to Board Policy and Administrative Regulation 6173 – Education for Homeless Children – First Reading

Policy is being updated to reflect new law (AB 104) which adds homeless students as a “numerically significant student sub group” whose needs must be addressed in the district’s local control and accountability plan and adds materials on program evaluation. Regulation revises the definition of “school of origin” to reflect new law (SB 445) and revises the definition of “best interest” for consistency with policy on foster youth.

d. Adopt and Approve Amendment to Board Policy 6179 – Supplemental Instruction – First Reading

Policy updated to delete material requiring supplemental instruction to be provided to students in grades 7-12 who do not demonstrate sufficient progress toward passing the high school exit exam, as the exit exam is suspended through the 2017-18 school year pursuant to new law (SB 172).

e. Approve Amendment to Board Bylaw 9150 – Student Board Members – First Reading

Bylaw updated to reflect new law (SB 532) which requires the board, upon receiving a petition from students at a high school requesting student representation on the board or preferential voting rights for a student board member, to act on the request within 60 days of receipt of petition or at the next regularly scheduled board meeting if no meeting is held within those 60 days.

f. Adopt Board Policy 6152.1 – Placement in Mathematics Courses – First Reading
