Re: CREDENTIAL INFORMATION – 2015-2016

BACKGROUND INFORMATION

Under the provisions of SB 435, the Board of Education receives a report of fully credentialed staff who are assigned to teach in academic areas for which they may not have a formal credential, but for which they have the requisite number of units required for knowledge of the subject and the ability to teach the subject in the classroom. The following credential assignments are brought to the Board of Education annually. These assignments are brought to the Board in accordance with the requirements of the Education Code and the California Commission on Teacher Credentialing.

Education Code section 44256(b) (grades 8 and below) allows, with the approval of the governing board, the holder of a multiple subject or standard elementary teaching credential to teach, with his or her consent, in departmentalized classes below grade level 9 if the teacher has completed 12 semester units, or 6 upper division or graduate semester units in the subject to be taught.

Education Code section 44258.2 (grade 5-8) allows that the holder of a single subject standard secondary teaching credential may, with his or her consent, be assigned by action of the governing board, to teach classes in grades 5 through 8 in a middle school, provided that the teacher has a minimum of 12 semester units or 6 upper division or graduate semester units of coursework at an accredited institution in the subject to be taught.
