## Summer Learning Programs

The Governing Board recognizes that summer school provides valuable opportunities for students to improve their skills and make academic progress. When the need is demonstrated and funds are available, the Superintendent or designee, with Board approval, shall establish summer school day and/or evening classes for purposes of remediation, enrichment or acceleration.

The district shall offer summer instructional programs for high school seniors who need courses for graduation before the beginning of the next school year. (Education Code 41976.5)

*(cf. 6146.1 - High School Graduation Requirements)*

The district's summer school program may be used to provide supplemental instruction for students failing to meet academic requirements and/or students who desire enrichment in core academic subjects in accordance with law, Board policy and administrative regulation. (Education Code 37252, 37252.2, 37252.8, 37253, 41505-41506; 5 CCR 11472)

*(cf. 5123 - Promotion/Acceleration/Retention)*

*(cf. 6011 - Academic Standards)*

*(cf. 6143 - Courses of Study)*

*(cf. 6146.5 - Elementary/Middle School Graduation Requirements)*

*(cf. 6162.52 - High School Exit Examination)*

*(cf. 6179 - Supplemental Instruction)*

## Enrollment Priorities

Priority to enroll in summer programs shall be given to district students who:

1. Are eligible for supplemental instruction on the basis of retention or recommendation for retention pursuant to Education Code 37252.2
2. Need course credits in order to graduate from high school before the beginning of the next school year

The remaining openings shall be offered to district students on a first-come first-serve basis.

To the extent that space is available after district students have enrolled, remaining openings in high school summer classes for core academic subjects may be open to private school students.

## Attendance

---

Because summer courses cover extensive instructional content in a relatively short time period, consistent class attendance is crucial. Students who have more than three excused absences or one unexcused absence may not receive credit for their summer session class(es) unless they make-up missed work in accordance with law, Board policy and administrative regulation.
