## **Student Driving and Parking**

High school students who possess appropriate licenses or permits shall be granted permission to drive private cars and licensed motorcycles to school and to park them in school parking lots if they meeting the following criteria.

The students must have a bona fide need for motor vehicle transportation. Reasons may include:

1. Medical or health needs.
2. Participating in a work/student program or having a part-time job which requires a student to leave campus and proceed directly to the work or work-experience program by motor vehicle.
3. Taking part in an advanced placement or other educational arrangement with a school outside of the Oak Park Unified School District which request a student to leave the campus and proceed directly to the school by motor vehicle.
4. Other circumstances which in the judgment of the principal make it desirable for the student to have the use of a motor vehicle on campus.

Parents or legal guardians who wish their students to have driving and parking privileges at Oak Park High School are required to place the reasons for the request in writing.

Students who in any way abuse the privilege of driving to school shall have privilege revoked upon order of the principal
