Series 5000

Students

BP 5149(a)

At-Risk Students

The Governing Board recognizes that personal, social, health and economic conditions of children and families sometimes place students at greater risk of school failure. The Board believes, however, that each student can succeed in meeting district academic standards with an appropriate educational program and support services.

(cf. 6011 - Academic Standards)
(cf. 6146.1 - High School Graduation Requirements)
(cf. 6146.5 - Elementary/Middle School Graduation Requirements)
(cf. 6162.52 – High School Exit Examination)

District assessments and ongoing classroom evaluations shall be used to identify students performing below grade level or at risk of failing to meet district standards. The Superintendent or designee shall develop strategies to address the needs of at risk students, which may include but are not limited to instructional strategies responsive to the needs of individual students, provision of supplemental instruction outside the regular school day, provision of effective support services, parent involvement, and/or enrollment in an alternative program.
