The Oak Park Unified School District was established on July 1, 1978, and consists of an area comprising approximately 28 square miles. The District operates three elementary schools, one middle school, one high school, one continuation high school, one independent study school, and one preschool.

In an election held on June 6, 2006, the voters authorized the District to issue and sale \$17,500,000 of principal amount of general obligation bonds. These bonds were issued for the purpose of financing specific vehicle and equipment purchases to improve student safety, replace aging school equipment and furnishings, and provide up-to-date educational technology, including updating science and computer lab equipment, replacing aging student desks and chairs, upgrading playground equipment to current safety standards, acquiring safe student transportation and maintenance vehicles.

The first series of bonds, Series 2007, was issued on September 20, 2007 for \$5,011,137 with interest rates ranging from 3.75% to 5.25%. The original issuance consisted of \$3,180,000 of current interest serial bonds, \$1,685,000 of current interest term bonds, and \$146,137 of capital appreciation serial bonds. The principal balance outstanding at June 30, 2015 amounted to \$3,163,974, including \$97,837 in accreted interest.

Series B was issued on April 14, 2009 for \$4,999,686 with interest rates ranging from 3.00% to 6.75%. The original issuance consisted of \$2,310,000 of current interest serial bonds and \$2,689,686 of capital appreciation serial bonds. The principal balance outstanding at June 30, 2015 amounted to \$6,123,172, including \$1,308,485 in accreted interest.

Series 2013A was issued on September 25, 2013 for \$3,655,000 with interest rates ranging from 3.00% to 4.00%. The original issuance consisted entirely of current interest serial bonds. The principal balance outstanding at June 30, 2015 amounted to \$3,655,000.

The Citizens' Oversight Committee had the following members as of June 30, 2015, all of whom were appointed by the District's Board of Education with two year terms of office:

Report on the Financial Statements

We have audited the accompanying financial statements of the Measure C6 Bond of Oak Park Unified School District (the "District") as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Measure C6 Bond Building Fund's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Auditor’s Responsibility (continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As discussed in Note 1A, the financial statements present only the individual Proposition 39 Bond Building Fund, consisting of the net construction proceeds of the Measure C6 general obligation bonds as issued by the District, through the County of Ventura, and are not intended to present fairly the financial position of the District in conformity with generally accepted accounting principles.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Measure C6 Bond Building Fund of Oak Park Unified School District as of June 30, 2015 and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 13, 2016 on our consideration of the Measure C6 Bond’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Measure C6 Bond’s internal control over financial reporting and compliance.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of Proposition 39, as incorporated in California Constitution Article 13A, we have also issued our performance audit report dated January 13, 2016 on our consideration of the Measure C6 Bond’s compliance with the requirements of Proposition 39. That report is an integral part of our audit of the Measure C6 Bond Building Fund for the fiscal year ended June 30, 2015 should be considered in assessing the results of our financial audit.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Reporting Entity

The Oak Park Unified School District (the District) was established on July 1, 1978, under the laws of the State of California. The District operates under a locally elected five-member Board form of government and provides educational services to grades K - 12 as mandated by the state and/or federal agencies. The District operates three elementary schools, one middle school, one high school, one continuation high school, one independent study school, and one preschool.

On June 6, 2006 the District voters authorized \$17,500,000 in general obligation bonds to finance specific vehicle and equipment purchases to improve student safety, replace aging school equipment and furnishings, and provide up-to-date educational technology, including updating science and computer lab equipment, replacing aging student desks and chairs, upgrading playground equipment to current safety standards, acquiring safe student transportation and maintenance vehicles.

An oversight committee to the District's Governing Board and Superintendent, called the Citizens' Oversight Committee (COC), was established pursuant to the requirements of state law and the provisions of the Measure C6 bond. The COC is required by state law to actively review and report on the proper expenditure of taxpayers' money for school construction. The COC provides oversight and advises the public whether the District is spending the Measure C6 Bond funds for school capital improvements within the scope of projects outlined in the Measure C6 Bond project list. In fulfilling its duties, the COC reviews, among other things, the District's annual performance and financial audits of Measure C6 activity.

The statements presented are for the individual Measure C6 Bond Building Fund of the District, consisting of the net construction proceeds of Election of 2006, Series 2007, Series B, and Series 2013A general obligation bonds as issued by the District, through the County of Ventura, and are not intended to be a complete presentation of the District's financial position or results of operations. There are no related parties or component units included in this financial statement presentation.

B. Accounting Policies

The District accounts for its financial transactions in accordance with the policies and procedures of the California Department of Education's *California School Accounting Manual*. The accounting policies of the District conform to generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants (AICPA).

**MEASURE C6 BOND BUILDING FUND
OAK PARK UNIFIED SCHOOL DISTRICT
Notes to Financial Statements, continued
June 30, 2015**

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

C. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied.

The financial statements are presented on the modified accrual basis of accounting. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. "Available" means the resources will be collectible within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. Generally, "available" means collectible within the current period or within 60 days after year-end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred.

D. Encumbrances

Encumbrance accounting is used in all budgeted funds to reserve portions of applicable appropriations for which commitments have been made. Encumbrances are recorded for purchase orders, contracts, and other commitments when they are written. Encumbrances are liquidated when the commitments are paid.

E. Deposits and Investments

In accordance with Education Code Sections 15357 and 41001, the District maintains a portion of its cash in the Ventura County Treasury. The county pools these funds with those of other districts in the county and invests the cash. These pooled funds are carried at cost, which approximates market value. Interest earned is deposited quarterly into participating funds. Any investment losses are proportionately shared by all funds in the pool.

F. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

**MEASURE C6 BOND BUILDING FUND
OAK PARK UNIFIED SCHOOL DISTRICT
Notes to Financial Statements, continued
June 30, 2015**

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Budgets and Budgetary Accounting

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all government funds. By state law, the District's governing board must adopt a budget no later than July 1. A public hearing must be conducted to receive comments prior to adoption. The District's governing board satisfied these requirements.

These budgets are revised by the District's governing board during the year to give consideration to unanticipated income and expenditures. Formal budgetary integration was employed as a management control device during the year for all budgeted funds. The District employs budget control by minor object and by individual appropriation accounts. Expenditures cannot legally exceed appropriations by major object account.

H. Fund Balance

Under GASB Statement No. 54, fund balance is divided into five classifications based primarily on the extent to which the District is bound to observe constraints imposed upon the use of the resources in the governmental funds. The fund balance in Measure C6 is considered restricted.

The restricted fund balance classification reflects amounts subject to externally imposed and legally enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws or regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation.

NOTE 2 – CASH AND INVESTMENTS

Summary of Cash and Investments

Cash and investments as of June 30, 2015 are classified in the accompanying financial statements as cash in county treasury for \$1,963,516.

Policies and Practices

The District is authorized under California Government Code to make direct investments in local agency bonds, notes, or warrants within the state; U.S. Treasury instruments; registered state warrants or treasury notes; securities of the U.S. Government, or its agencies; bankers acceptances; commercial paper; certificates of deposit placed with commercial banks and/or savings and loan companies; repurchase or reverse repurchase agreements; medium term corporate notes; shares of beneficial interest issued by diversified management companies, certificates of participation, obligations with first priority security; and collateralized mortgage obligations. Investments of debt proceeds held by trustees are governed by the provisions of debt agreements rather than the general provisions of the California Government Code. These provisions allow for the acquisition of investment agreements with maturities up to 30 years.

General Authorizations

Except for investments by trustees of debt proceeds, the authority to invest District funds deposited with the county treasury is delegated to the County Treasurer and Tax Collector. The table below identifies examples of the investment types permitted in the investment policy:

<u>Authorized Investment Type</u>	<u>Maximum Remaining Maturity</u>	<u>Maximum Percentage of Portfolio</u>	<u>Maximum Investment in One Issuer</u>

NOTE 2 – CASH AND INVESTMENTS (continued)

Limitations as they relate to interest rate risk, credit risk, and concentration of credit risk are described below:

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The District manages its exposure to interest rate risk by investing in the County Treasury. The District maintains an investment with the Ventura County Investment Pool with a fair value of approximately \$1,961,641 and an amortized book value of \$1,963,516. The weighted average maturity for this pool as of June 30, 2015 was 295 days.

Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investments within the Ventura County Investment Pool are rated at AA Af.

Concentration of Credit Risk

The investment policy of the District contains no limitations on the amount that can be invested in any one issuer beyond the amount stipulated by the California Government Code. District investments that are greater than 5 percent of total investments are in either an external investment pool or mutual funds and are therefore exempt.

NOTE 3 – ACCOUNTS RECEIVABLE

Accounts receivable amounting to \$2,178 as of June 30, 2015 consists of interest earned on the District's investment in the County Treasury.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING
STANDARDS

Independent Auditors' Report

Governing Board Members and
Measure C6 Citizens' Oversight Committee
Oak Park Unified School District
Oak Park, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Measure C6 Bond Building Fund, as of and for the year ended June 30, 2015 and the related notes to the financial statements, which collectively comprise the Measure C6 Bond Building Fund's basic financial statements, and have issued our report thereon dated January 13, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Measure C6 Bond's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Measure C6 Bond's internal control. Accordingly, we do not express an opinion on the effectiveness of the Measure C6 Bond's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Measure C6 Bond Building Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on the Financial Statements

We have audited the accompanying financial statements of the Measure C6 Bond Building Fund, as of and for the year ended June 30, 2015 and the related notes to the financial statements, which collectively comprise the Measure C6 Bond Building Fund's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Objectives

In connection with our audit, we also performed an audit of compliance as required in the performance requirements for the Measure C6 General Obligation Bonds for the fiscal year ended June 30, 2015. The objective of the examination of compliance applicable to the District is to determine with reasonable assurance that:

- The proceeds of the sale of the Measure C6 General Obligation Bonds were only used for the purposes set forth in the Measure C6 ballot language and not for any other purpose, such as teacher and administrative salaries.
- The Governing Board of the District, in establishing the approved projects set forth in the ballot measure, evaluated the replacement of aging school equipment and furnishings, updating of educational technology, including updating of science and computer lab equipment, replacement of aging student desks and chairs, upgrading of playground equipment to current safety standards, and acquisition of safe student transportation and maintenance vehicles, with no funds expended on administrator salaries.

In performing our audit of compliance, we performed procedures including but not limited to those listed as follows:

Internal Control Evaluation

Procedures Performed:

Inquiries were made of management regarding internal controls to:

- Prevent fraud or waste regarding Measure C6 projects, including budgetary controls
- Ensure adequate separation of duties exists in the fiscal services department for Measure C6 funds
- Prevent material misstatements in the financial statements
- Ensure expenditures are allocated to the proper fund(s)
- To follow applicable regulations, including regulations related to bidding and contract management

We then performed substantive tests of financial statement balances to determine whether the controls designed by management were operating effectively, and to provide reasonable assurance that the fiscal year 2014-15 financial statement balances for the Measure C6 Bond Building Fund are not materially misstated.

Results of Procedures Performed:

The result of our audits tests show that internal control procedures appear to be working to meet the financial and compliance objectives required by generally accepted accounting standards and applicable laws and regulations. An unmodified opinion was expressed on the financial statements.

Facilities Site Walk

Procedures Performed:

We performed a site walk to verify that Measure C6 funds expended for the fiscal year ended June 30, 2015 were for valid acquisitions. CWA toured Oak Park High verifying that equipment purchases were in existence and used as intended.

Results of Procedures Performed:

Results of the site walks demonstrate the proper use and implementation of the major 2014-15 Measure C6 expenditures at Oak Park High.

Test of Expenditures

Procedures Performed:

We tested expenditures to determine whether Measure C6 funds were spent solely on voter and Board approved school facilities projects (as set forth in the District's Facilities Master Plan and the Measure C6 ballot measure language). The expenditure test included a sample of 22 payments totaling \$1,354,719, or 58% of total expenditures for the year ended June 30, 2015.

Results of Procedures Performed:

We found the expenditures and transfers tested to be in compliance with the terms of the Measure C6 ballot measure, Facilities Plan, and applicable state laws and regulations without exception.

Test of Contracts and Bid Procedures

Procedures Performed:

We did not perform test of contracts and bid procedures for 2014-15 due to no contracts being subject to formal bidding requirements.

Our audit of compliance was made for the purposes set forth in the objectives section of this report would not necessarily disclose all instances of noncompliance.

In our opinion, the District complied, in all material respects, with the compliance requirements for the Measure C6 General Obligation Bond as listed and tested above.

This report is intended solely for the information and use of the Measure C6 Citizens' Bond Oversight Committee, the District's Governing Board, management, and the taxpayers of Oak Park Unified School District and is not intended to be and should not be used by anyone other than these specified parties.
