

## ALGEBRA II with TRIGONOMETRY (H) STUDENT FORM

Please complete, sign, and have your parents/guardians sign.

Name: \_\_\_\_\_ (Please Print) Current Grade: \_\_\_\_\_

### I. The difference between Algebra 2 (CP) and Algebra 2 w/Trig (H)

#### CP Track

Course	Algebra 2 (CP)	PreCalculus (AP or CP)	Calculus AB (AP)
1 <sup>st</sup> Semester	Algebra 2	PreCalculus	Calculus A
2 <sup>nd</sup> Semester	Algebra 2	PreCalculus	Calculus B

#### Honors Track

Course	Algebra 2 w/ Trig (H)	PreCal w/ Cal A (H)	Calculus BC (AP)
1 <sup>st</sup> Semester	Algebra 2	PreCalculus	Calculus B
2 <sup>nd</sup> Semester	PreCalculus	Calculus A	Calculus C

### II. Read and initial each statement (**BOTH parent and student**):

1. I understand that this is an HONORS math class. It is much more challenging than a CP course. It is taught at an accelerated rate and will require more work than previous math courses. Students must have STRONG analytical and logic skills. Initials: \_\_\_\_\_
2. I understand that I have until week 11 of 1<sup>st</sup> semester to change from Algebra 2 w/ Trig (H) to Algebra 2 (CP). If I choose to stay in Algebra 2 w/ Trig (H) past week 11, the only other time I may switch is at the semester. Initials: \_\_\_\_\_
3. I understand that if I change to Algebra 2 (CP) during the first 11 weeks of 1<sup>st</sup> semester, my grade will transfer with me and will NOT be adjusted. Initials: \_\_\_\_\_

I have read and understand the expectation and requirements for taking Algebra II w/ Trig (H).
