# Log into Google

1. Go to [www.google.com](http://www.google.com)
2. Click on the sign in button in the upper right hand corner of the page.
3. Type in your district e-mail and changed password.
4. Add your account.

# Khan Introduction

# Log in to Khan Academy

1. You must be logged into your Google account first.
2. Go to [www.khanacademy.org](https://www.khanacademy.org)
3. Click on the “Teachers, start here” button
4. Click on the “Sign in with Gmail” button
5. You will be prompted to create a class--only when you log in as a teacher the first time.

# First Step: Set up a class

Khan Academy will automatically walk you through this process when you log in for the first time.

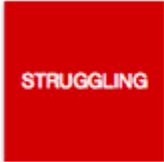

Note: Students **MUST** log in before you can give them particular assignments.

Once a class is created, students can use a code to join it.

# Khan Demo

## Teacher Experience:

### Exercise progress levels ×

 <p><b>STRUGGLING</b></p> <p>A student struggling with an exercise likely needs help.</p>	<div><div>NEEDS PRACTICE</div><div>PRACTICED</div></div> <p>After answering five questions in a row, a student becomes "Practiced" in that exercise.</p> <p>The student must then take Mastery Challenges to continue to advance.</p>	<div><div>LEVEL ONE</div><div>LEVEL TWO</div><div>MASTERED</div></div> <p>Mastery Challenges mix together questions from different exercises and are spaced out across days.</p> <p>Taking Mastery Challenges is the only way for a student to achieve the level of "Mastered."</p>
