

# MAKE A COACH RECOMMENDATION

As a coach, you can recommend a skill from any mission to a student or group. Once they practice it, it will be prioritized in mastery challenges for that mission.

## Make a coach recommendation to an individual student

The screenshot shows the Khan Academy Coach interface. At the top, there is a navigation bar with the Khan Academy logo, a search bar, and a user profile for 'Isaac at KA' with a dropdown arrow. Below this is a 'Your students' section with tabs for 'Dashboard', 'Manage Students', 'Student Progress', 'Skill Progress', 'Grid', 'Activity', 'Real Time', and 'Programs'. A blue box with the number '1' is placed over the user profile dropdown. A blue box with the number '2' is placed over the 'Your students' dropdown menu, which is open and shows options like 'Profile', 'Your students', 'Your children', 'Settings', 'Help', and 'Log out'. A blue box with the number '3' is placed over the 'Student Progress' tab. Below the navigation bar, there is a section for 'Isaac at KA' with a sidebar containing links like 'Learning Home', 'Coach Resources', 'Coach FAQ', 'Common Core', and 'KA Implementations Blog'. The main content area shows 'Period 1' with a list of students: ben, Ben Alpert, Ben Komalo's KA acc..., Desmond, Eli, elizabeth, James Tynan, Marcia Lee, Matt Faus, maureen, MurrayJunior, and PauletteJunior. A blue box with the number '3' is placed over the 'Student Progress' button in the right sidebar.

1. Log in to your account at [www.khanacademy.org](https://www.khanacademy.org). Once logged in, click your name at the top right. A menu will open.
2. Click **“Your students”** to access your teacher homepage.
3. Click **“Student Progress”** at the top of the screen or next to the student’s class.

## Make a coach recommendation to an individual student (continued)

6. Select one or more skills using the search bar and checkboxes.
7. Select the number of problems the student must answer correctly in a row.
8. If desired, set a due date.

The screenshot shows a web interface titled "Recommend tasks to Isaac at KA". On the left, under "All skills at any progress level", there is a search bar with "expressions" entered. Below it, a list of skills is shown. Skill 6, "Expressions with parentheses", is selected with a checkbox. To the right, under "Selected tasks", there is one task: "Expressions with parentheses" with a dropdown set to "5 in a row". Skill 7 points to this task. At the bottom right, there is a button labeled "Recommend to your student" (Skill 9) and a link "+ Include a due date" (Skill 8).

9. Click **“Recommend to your student”** to confirm.

*Your student will directly receive the recommendation.*

# Make a coach recommendation to a group of students

The screenshot shows the Khan Academy Coach interface. At the top, there's a navigation bar with 'Khan Academy' logo, 'Subjects', 'Coach', a search bar, and a user profile 'Isaac at KA'. Below this is a 'Your students' section with tabs for 'Dashboard', 'Manage Students', 'Student Progress', 'Skill Progress', 'Grid', 'Activity', 'Real Time', and 'Programs'. A blue box with the number '3' highlights the 'Skill Progress' tab. To the right, a dropdown menu is open, showing options like 'Profile', 'Your students', 'Your children', 'Settings', 'Help', and 'Log out'. A blue box with the number '2' highlights the 'Your students' option. Below the menu, there are buttons for 'Student Progress', 'Skill Progress', and 'Manage Class'. A blue box with the number '3' highlights the 'Skill Progress' button. On the left, there's a sidebar with 'Isaac at KA' and links like 'Learning Home', 'Coach Resources', 'Coach FAQ', 'Common Core', and 'KA Implementations Blog'. The main content area shows 'Period 1' with a 'Grade 5' badge and a list of students: ben, Ben Alpert, Ben Komalo's KA acc..., Desmond, Eli, elizabeth, James Tynan, Marcia Lee, Matt Faus, maureen, MurrayJunior, and PauletteJunior. A blue box with the number '3' highlights the student list.

1. Log in to your account at [www.khanacademy.org](https://www.khanacademy.org). Once logged in, click your name at the top right. A menu will open.
2. Click **“Your students”** to access your teacher homepage.
3. Click **“Skill Progress”** at the top of the screen or next to the student’s class.
4. Click a topic to see a list of skills.
5. Click the skill you’d like to recommend to see an example problem.

The screenshot shows the 'Skill Progress' page in the Khan Academy Coach interface. At the top, there's a navigation bar with 'Khan Academy' logo, 'Subjects', 'Coach', a search bar, and a user profile 'Isaac at KA'. Below this is a 'Your students' section with tabs for 'Dashboard', 'Manage Students', 'Student Progress', 'Skill Progress', 'Grid', 'Activity', 'Real Time', and 'Programs'. The 'Skill Progress' tab is selected. Below the tabs, there's a section for 'Class: All students', 'Mission: 5th grade (U.S.)', and 'Within mission: Find topics or skills'. Below this, there's a list of topics: 'MISSION FOUNDATIONS', 'ARITHMETIC OPERATIONS', 'FRACTIONS', 'PLACE VALUE AND DECIMALS', 'MEASUREMENT AND DATA', 'GEOMETRY', and 'ALGEBRAIC THINKING'. The 'GEOMETRY' topic is selected, and a blue box with the number '4' highlights it. Below 'GEOMETRY', there's a list of skills: 'Graphing points', 'Coordinate plane word problems in the first quadrant', 'Quadrilateral types', 'Properties of shapes', and 'ALGEBRAIC THINKING'. The 'Quadrilateral types' skill is selected, and a blue box with the number '5' highlights it. To the right of the skills, there are progress bars showing the progress of each student.

## Deleting a coach recommendation

- ❑ After following the instructions on the previous page, click the small X next to any recommendation to delete it.

*Students can also delete recommendations you've given them. In this case, you'll see a notification on the Student Progress report.*

*If you want to delete the same recommendation for several students, it may be easier to ask your students to remove the recommendation themselves.*
