## **Welcome to Oak Park Independent School!**

Oak Park Independent School offers home schooling and independent study to students in grades K-12 throughout the Oak Park Unified School District and students in contiguous communities. Our school provides a viable alternative to students with unique needs. Many of our students require our flexible schedule in order to pursue interests in athletics or performing arts, and many parents enroll their children with us because they are committed to home schooling. It is a program for families who have the time, energy and desire to teach their children at home. We value our parents and we believe parents have such an essential role in a student's education.

We are implementing the New California State Standards. The program for children in grades kindergarten through grade 5 is aligned with the California Content Standards and the Oak Park Unified School District course of study and syllabi. Whatever the reasons you have for choosing independent home study for your child(ren), you may be assured that they will receive a personalized learning program. Since this is a joint educational effort between the parent/guardian and teacher, a great amount of communication concerning academic success and/or areas for improvement and enrichment will occur. In this way, the student's needs will be addressed continually. You will meet with the teacher each time your student brings his/her work to the weekly appointment. We look forward to this meaningful partnership.

It is important to establish a permanent study area or station for your student. It is also important to have a daily schedule that is followed as this teaches the student how to budget time. As the child gets older, his/her attention span will increase and together you can modify the schedule. A sample daily schedule can be found in this handbook. Designing a schedule with your child will be a meaningful activity and something of one's own design is more likely to be followed.

Celebrate your student's successes and be careful to balance his/her life with visits to places of interest, shared reading with your student, and time for your child to pursue his/her own interests and talents.

The staff is committed to this learning experience and is available to answer your questions whenever they may arise.

Again, welcome to Oak Park Independent School!

## **Our Mission Statement**

*Oak Park Independent School, in alliance with the home, offers an alternative educational pathway to meet the Content Standards. Our program is prepared for a successful transition to the implementation of the Common Core Standards. Students are encouraged to reach their full potentials in a personalized and caring instructional environment. The program provides the necessary differentiated support where students at all ability levels may develop appropriate skills and knowledge necessary to make the successful transition from school to productive careers, continued higher education, and rewarding lives.*

## **Oak Park Independent School's Global Learning Goals**

**To prepare students to learn the Common Core Standards and to be College and Career Ready**

### **Effective Communicators who:**

- Read, understand, and interpret a variety of works, including fiction, nonfiction, textbooks, and manuals, as measured by the Oak Park Unified School District, the California State Standards and the Common Core (CAASPP)
- Express ideas clearly, practice active listening skills which demonstrate engagement and interest through questioning during assigned lessons;
- Produce organized and high quality presentations;
- Write effectively for self-expression, persuasion, information, and research.

### **Self-directed Workers who:**

- Effectively plan and allocate time and resources to complete a project with a long-term deadline;
- Access a variety of information resources, evaluate the appropriateness and validity of the information, and synthesize the information into original authorship;
- Select appropriate technology and effectively integrate it into a variety of curricular areas;
- Exhibit growth, reflection, and self-evaluation.

### **Creative, Critical Thinkers who:**

- Generate new ideas;
- Choose the best way to reach a goal by identifying constraints, considering risks, and generating alternatives;
- Organize and process symbols, pictures, graphs, and other information in a variety of ways;
- Reach solutions by selecting and using appropriate problem-solving techniques;
- Use a variety of learning techniques to acquire and apply new knowledge and skills while optimizing unique learning styles.

### **Healthy, Productive Citizens who:**

- Evaluate lifestyle and participate in activities that improve personal wellness and physical fitness;
- Effectively budget time and resources;
- Explore and develop a personal academic and career plan in preparation for the future.

## Policies and Procedures

### Board Policies

The Oak Park Unified School District Board of Education authorized the superintendent to establish a Home Independent Study Program as an optional alternative instructional strategy by which students in grades K-12 may reach curriculum objectives and fulfill graduation requirements in a setting other than the regular classroom. Home Independent Study shall offer a means of individualizing the educational plan for students whose needs may be met best through study outside of the regular classroom setting.

### General Conditions

1. Home Independent Study is a continuously voluntary, educational alternative in which no student may be required to participate.
2. Instruction may be provided only if the student is offered a classroom option that is always available.
3. No course required for graduation shall be offered exclusively through Home Independent Study.
4. No individual with exceptional needs as defined in Education code, Section 56026 may participate in Home Independent Study unless his/her individualized education program (IEP) specifically provides for that participation.
5. The district shall provide and ensure Home Independent Study students the same access to existing services and resources as are available to all other students in the school in which the Home Independent Study students are enrolled.
6. In grades K-5, the parent(s) or guardians of the student should recognize that Home Independent Study emphasizes a commitment on the part of the parent(s) or guardian in supervision and instruction.

**Non-discrimination Policy:** Oak Park Independent School maintains a consistent policy of non-discrimination including, but not limited, to culture, race, ethnicity, language, gender, age, immigration status, sexual orientation, socio-economic background, religion, and learning abilities.

### Civility Policy

Members of the Oak Park Unified School District staff will treat parents and other members of the public with respect and expect the same in return. The district is committed to maintaining orderly educational and administrative processes in keeping schools and administrative offices free from disruptions and preventing unauthorized persons from entering school/district grounds. This policy promotes mutual respect, civility and orderly conduct among district employees, parents and the public. This policy is not intended to deprive any person of his/her right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe, harassment-free workplace for our students and staff. In the interest of presenting district employees as positive role models to the children of this district, as well as the community, the Oak Park Unified School District encourages positive communication and discourages volatile, hostile or aggressive actions. The district seeks public cooperation with this endeavor.

### Uniform Complaint Procedures

Uniform Complaint Procedures (UCP) The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation. OPUSD BP 1312.3 Uniform Complaint Procedures

## **Disruptions**

Any individual who disrupts or threatens to disrupt school/office operations; threatens the health or safety of students or staff; willfully causes property damage; uses loud and/or offensive language which could provoke a violent reaction; harasses staff with frequent and abusive emails; or who has otherwise established a continued pattern of unauthorized entry on school district property, will be directed to leave school or school district property promptly by the Superintendent, principal or designee. If any member of the public uses obscenities or speaks in a demanding, loud, insulting and/or demeaning manner, the administrator or employee to whom the remarks are directed will calmly and politely admonish the speaker to communicate civilly. If corrective action is not taken by the abusing party, the district employee will verbally notify the abusing party that his/her participation in the meeting, conference or telephone conversation is terminated and, if the meeting or conference is on district premises, the offending person will be directed to leave promptly. When an individual is directed to leave under the above circumstances, the Superintendent, principal or designee shall inform the person that he/she will be guilty of a misdemeanor in accordance with Californian Education Code 44811 and Penal Codes 415.5 and 626.7 if he/she reenters any district facility within 30 days after being directed to leave, or within seven days if the person is a parent/guardian of a student attending that school. If an individual refuses to leave upon request or returns before the applicable period of time, the Superintendent, principal or designee may notify law enforcement officials. When violence is directed against an employee, or theft against property, employees shall promptly report the occurrence to their principal or supervisor and complete an Incident Report. An employee whose person or property is injured or damaged by willful misconduct of a student may ask the district to pursue legal action against the student or the student's parent/guardian.

## **Documentation**

When it is determined by staff that a member of the public is in the process of violating the provisions of this policy, an effort should be made by staff to provide a written copy of this policy, including applicable code provisions, at the time of occurrence. Following any violation of the provisions of this policy, the employee will immediately notify his/her supervisor and provide a report of the incident on the appropriate form.

## **Intake Process:**

1. Meet with the school counselor (teacher, principal, school personnel) to determine if the student meets the criteria for participation in Independent Study.
2. Obtain an inter-district permit if student does not reside in the Oak Park Unified School District.
3. Complete an Application for Intake at the school office.
4. Complete all elements of the Independent Study Agreement with the supervising teacher.
5. Finishing the above process completes the student's intake process. Depending on the availability of a certificated teacher, student should be able to start the Independent Study option immediately.

## **Student Responsibilities and Rights**

All students are expected to comply with school regulations, to pursue the required course of study and to accept the reasonable authority of the Principal and the school staff. A primary goal is for the student to grow and develop self-direction and self-control. Students en route to or from school or in attendance at school functions are subject to the authority of the school.

The student agrees to:

1. Read and understand the conditions listed on the Oak Park Independent School Study Agreement.
2. Voluntarily sign the Independent Study Agreement.
3. Abide by all the terms of the Independent Study Agreement.
4. Complete the Home Independent Study application, intake and selection process.
5. Take district and state mandated tests of proficiency and achievement.

6. Notify certificated teacher in advance for all planned missed school appointments.
7. Complete and submit work assignments by the due date.
8. Deal with incomplete assignments, as the teacher requires.
9. Contact the teacher or school when assistance is needed.
10. Ask for a classroom option whenever a student feels that Independent Study is not appropriate.
11. Arrange for local transportation to assigned school site through Dial-a Ride, Kanan Shuttle, bike or walking.
12. **Student understands that the accepted practice is one meeting with your teacher per week. Meetings may be one meeting every two weeks, with teacher and administrator approval. Other exceptions can be made for specific circumstances that may occur during the school year.**

There are no excused absences in Oak Park Independent School. Students are in violation of the Oak Park Independent School agreement and are subject to dismissal if they are late or absent from scheduled appointments or do not submit assigned work by the due dates.

### **Student Rights**

1. **The right to be safe at school**—This means that no one should intimidate or make students afraid to be at school. OPIS shall be a safe and comfortable place for everyone.
2. **The right to be respected and treated with kindness at school**- This means that no one should make fun of students or hurt students' feelings intentionally. No one may embarrass anyone else.
3. **The right to be heard**- This means that all students will have the opportunity to tell their side of the story before receiving consequences for breaking a rule. If a student feels that one or more of their rights have been violated, they should tell their teacher, a campus supervisor, or the principal.

### **Student Responsibilities**

1. **Come to school unless you are ill**- parents are required by law to send their children to school from ages 6-18. The only valid reason for an absence is illness. The school must report parents who fail to bring their children to school to the Ventura County School Attendance Review Board according to the Education code. When this occurs, the parent will be required to appear in front of the Board. The Board will usually make recommendations to assist in amending the problem. If no result is achieved, the case will be turned over to Superior Court for prosecution.
2. **Be on time for your appointment with your teacher.**
3. **School officials must be obeyed at all times**— School officials include the principal, teachers, yard supervisors, custodians, instructional aides, secretaries, librarians, safety patrol officers, and any specialists. Students need to follow all legal and reasonable instructions from a staff member. If a student disagrees with a decision, they may discuss it with the individual at the appropriate time.
4. **School property is to be respected**- all students will respect all school property as it belongs to all of us. Any destruction of school property will result in the parents of the guilty students paying for the damages.
5. **Students will act appropriately at assemblies and when on field trips.** This includes evening activities.

### Parent Responsibilities and Rights:

The parent or guardian agrees to:

- Read and understand the conditions listed on the Oak Park Independent School Study Agreement.
- Abide by the terms of the Oak Park Independent School Education Agreement including a commitment to, and the support and guidance of, the student in Oak Park Independent School.
- Ensure student takes mandated district and state tests of proficiency and achievement.
- Voluntarily sign the Oak Park Independent School Education Agreement.
- Notify the certificated teacher in advance when the student will be away from school.
- Ensure student completes all assignments by the due date.
- Ensure student keeps all appointments.
- Furnish transportation to a school site, if necessary.
- Act as a support system for the student in the discipline of completing work independently.
- Understand they have the right to review the program of instruction and revoke the Oak Park Independent School Education Agreement at any time.
- **Understand that the accepted practice is one meeting with your student’s teacher per week. Meetings may be one meeting every two weeks, with teacher and administrator approval. Other exceptions can be made for specific circumstances that may occur during the school year.**

**Certificated Teacher:**

The certificated teacher shall:

- Design and evaluate the work and provide general supervision of the student's Oak Park Independent School Education Agreement.
- Complete designated portions of the Oak Park Independent School Education Agreement, accompanying documents, and required record keeping for student assignments and attendance credits.
- Design a learning plan for appropriate student work.
- Provide K-5 curriculum based on the Oak Park Unified School District's curricula.
- Supervise student's study and evaluate coursework completed by the student.
- Assess all student work for attendance credit.
- Select and save representative samples of student's completed and evaluated assignments.
- Maintain and keep current any required records and files.
- Determine and assign grades or other measures of the student's achievement when appropriate.
- Keep parents informed of the student's progress when appropriate.
- Counsel and coach for the student's success.
- Participate in OPUSD educational and curriculum committees.
- Continue to grow professionally through a staff development plan and maintain CCIS membership.

The staff also has a responsibility, whenever possible, to notify parents of potential academic or social problems before they occur. This may include both school and after school activities which interfere with the student's ability to be successful. Teachers shall be responsible for the instruction of pupils in rules and regulations of proper conduct, as well as to be responsible for proper and adequate control of pupils. The responsibility and the authority of any teacher extends to all pupils of the school district.

## Our Partnership and Roles

**The purpose of the work assigned to each student at Oak Park Independent School is to assign an appropriate quantity of work for each student at each grade level. Working at home is meant to be a positive learning experience for each student. As students work at their own pace, they learn to be independent and responsible for completing tasks. The Oak Park Independent School experience will be the most successful when the teacher, student, and parent work together as a team as described below:**

**The teacher will:**

- Provide the parents with an estimated amount of time that the student should spend doing schoolwork. The total time specification will include the amount of time that should be spent on studying (whether for weekly exams or for a specific exam) and on assigned long-term projects in addition to the daily assignments.
- Assign work that is appropriate in quantity and content for each student at each grade level.
- Communicate the due date of each assignment to the student.
- Contact the student's parent(s) immediately if there is any concern with the homework that is being produced.
- Review and provide timely and appropriate feedback to the student.

**The student will:**

- Independently complete the assigned schoolwork. The state requires 180 minutes or 3 hours of study per day for kindergarten students and 240 minutes or 4 hours of study per day for students in grades 1-5.
- Ask questions of either the student's teacher and/or parent(s) if he or she is having trouble with a given assignment(s) or part of a given assignment.
- Communicate assignments to their parent(s).
- Turn work in when it is due.
- Give parents all correspondence on the day it is distributed.

**The parent will:**

- Provide the proper supplies and environment for the child to complete his or her schoolwork. The environment should be without distractions and conducive to doing schoolwork.
- Be available to answer questions his or her child may have.
- Contact the teacher immediately if there are any concerns with the quantity or content of any of the schoolwork being assigned.

**Adequate Progress**

In order to be successful in Oak Park Independent School, students must meet the minimum requirements:

- Be responsible for attending regularly scheduled meetings with teacher.
- Be responsible for working 3 hours per day for kindergarten students and 4 hours per day for students in grades K-5.
- Be responsible for taking state and district mandated proficiency and achievement tests.

Teachers verify attendance based on completed assigned work.

The State of California mandates that all children attend school. It is the parents' responsibility to see that their child attends school. OPIS teachers and principal welcome the opportunity to speak with parents at any time regarding attendance and academic progress.

**Report Cards and Progress Reports**

Students in grades K-5 receive report cards 3 times per year(Trimester). The Progress Toward Standards report cards are grade and trimester standards specific. Parents, teachers, and students confer regularly about goal setting, portfolio assessment, and standards based report cards. Regular meetings with their students and their teachers keep parents informed about student progress. Student progress reports or grades are available upon request.

**Student Achievement and Assessment**

In order to obtain accurate and valid measures of educational progress, Oak Park Independent School offers students multiple opportunities to demonstrate what they know and are able to do in the various disciplines of the school curriculum. Multiple measures of student achievement are analyzed to monitor student progress and to evaluate the effectiveness of the instructional program. These assessments include teacher tests, projects, demonstrations, report card grades, and results of standardized tests. Typically, a combination of these and other assessment tools are used.

**State Testing**

The Oak Park Unified School District and Oak Park Independent School are required by law to administer several series of achievement tests as part of the state assessment and school accountability program.

The California Assessment of Student Performance and Progress (CAASPP) is given annually to students in grades 3,4,5,6,7,8,11, and 12 (Science).

### **Answer Keys and Test Security:**

- All answer keys and Tests are kept in secure locations in the classrooms
- No access by students

## **Community Service Opportunities**

### ***Vision:***

All students, families and school staff acknowledge the benefits of community service to both students and to our community. Community service teaches tolerance, reinforces values of justice and compassion and fosters a connection to the community.

Service learning is consistent with our commitment to differentiated instruction and constructivist education. Students acquire knowledge and skills, and develop character and citizenship through community service experiences.

### ***Service that Qualifies:***

- Volunteer work with local community organizations
- On campus service opportunities approved on a case-by-case basis.
- Regional and global service projects

Faculty and staff will encourage all students and provide suggestions for community service, including but not limited to:

- The annual W. Valley Special Needs Gift Giving Project
- Agoura Hills Library
- Park Oaks Elementary School tutor
- Earth Day and Beach Clean Up
- Local retirement home and hospital volunteers
- The Calabasas Run to support families with catastrophic illness
- YMCA and Rancho Simi Park and Recreation
- The Friendship Circle to mentor special needs kids
- My Stuff Bags to supply homeless shelters
- Serving at local shelters and missions
- The Manna Project
- Big Sunday

The principal and counselor approve service learning activities. We provide resources and contact information for service opportunities. Service hours are documented on the Service Learning Activity Log.

All Oak Park Independent School students are encouraged to participate in community service activities, with an option of five elective credits.

Fifteen hours of service equals one school credit and/or earns a certificate of recognition. Seventy-five hours of service learning project activity will earn five credits. A project includes: cited research, a portfolio that chronicles learning, and the service activities associated with the project.

**Advertising:**

Students may disseminate information about service learning projects through our school newsletter.

**Donations**

Any request for supplies or donations toward the purchase of supplies, materials, equipment, field trips, programs, etc. is completely voluntary under the law in California public schools. Students may not be charged for participation in educational activities and may not be discriminated against or denied participation for not providing voluntary donations to the school. Should any student or parent believe they were impermissibly charged a fee or required to provide materials or supplies that they would not have otherwise voluntarily paid or provided, an application for reimbursement may be filed with the District by calling (818) 735-3206.

More information and detailed guidelines are on the website under Funding/Budgets or at this link:

<http://www.opusd.org/donationguidelines>

**Physical Education Requirement**

All 5<sup>th</sup>, 7<sup>th</sup> and 9<sup>th</sup> grade students are required to participate in the annual Physical Fitness Test (PFT). The PFT for students in California public schools is the FITNESSGRAM.

All students in grades 1-6 are required to complete not less than 200 minutes of physical education activities each 10 school days. Students may complete both coursework and physical activities.

**Student Study Team (SST)**

The SST meets to assess the needs and make recommendations to promote progress for students who are not being successful at meeting academic or social standards. Teachers may call an SST meeting through discussion with the administrator. This should be the first step in referring a student for help beyond that of interventions that teachers should have already implemented with parent and student input.

**Academic Honesty: Cheating and Plagiarism**

Oak Park Independent School believes that effective learning cannot take place without a positive program that promotes personal integrity. It is important for parents/guardians to actively assist their students as much as possible, short of doing the work for their students. Additionally, the internet is a powerful learning tool, but students must understand what constitutes plagiarism. A student's long-term success in school, college, and career is based on what (s)he has learned, not on grades. Such success is also based on students taking research and creating something original with it. Thus, any assignment, project, test, or quiz that a student turns in is expected to reflect what (s)he/he has done. Many students have come to believe that their grade, not their learning is the key to success. As a result, cheating, copying, and other forms of academic dishonesty have become widespread. To reduce the likelihood of such behaviors, we have instituted the following policy.

A student is considered in violation of school policy on **Academic Honesty** when (s)he participates in any of the activities included in, but not limited to, the list below:

- copying homework or any class assignment from whatever source (plagiarizing), or allowing another student to copy one's own work
- copying homework or assignments from other students
- willfully falsifying data and presenting it as one's own research or work
- looking at notes during a test, looking on another student's test
- talking to others during a test
- falsifying school work in any way

Students who engage in any form of cheating will receive no credit for the assignment, project or test, and the student will be marked down on the report card in the area that addresses these basic standards.

**GRADING FOR ELEMENTARY STUDENTS**

Students in grades Kindergarten through grade 5 are graded according to their progress toward standards of their grade level. The following are descriptors of the grading system:

**5 = Exceeds Trimester Standards**

- Is working beyond grade level standards
- Is highly independent learner
- Does more than is required through initiative and interest
- Produces consistently higher quality work

**4 = Meets Trimester Standards**

- Has mastered standard
- Performs independently
- Puts forth good effort
- Performance is consistent and reflects mastery

**3 = Making Significant Progress Meeting Trimester Standards**

- Is working hard to master standard
- Is becoming more independent
- Puts forth good effort
- Performance is generally consistent and acceptable

**2 = Making Limited Progress Toward Meeting Trimester Standards**

- Is trying to master standard
- May depend on others for assistance
- Puts forth fair effort
- Performance is generally consistent

**1 = Does Not Meet Trimester Standards**

- Finds subject difficult and/or is unable to complete work assignments
- Is highly dependent on others for assistance
- Effort and performance are inconsistent

**Parking and Access to Campus**

Parents and students are advised that it is their responsibility to drive in a slow, safe and courteous manner in the area around the school. Noise coming and going to school must be kept to a minimum. Students and parents must park in the designated parking lot. Parents and students are asked not to park on local streets (Medea Creek Lane and Conifer St.). If parents or students must park on Medea Creek Lane or Conifer St., please park on the opposite side to where there are houses. In addition, there is no pick up or drop off on these streets.

**Dress**

Freedom of expression is a right guaranteed to all students. Each student's dress is, within certain limits, a matter of personal style and individual preference. Our site shall have the latitude to prohibit the wearing of any clothing, attire, apparel or accessory which is hazardous to or disruptive of the learning environment, or which interferes with the health and safety of other students. The following guidelines shall apply to all regular school activities:

1. Students must wear clothing including both a shirt with pants or skirt, or the equivalent (i.e. dresses, leggings, or shorts) and shoes or sandals.
2. Clothing must cover the chest, back, buttocks, and torso.
3. Clothing must cover undergarments.
4. Clothing must not be see-through.

5. Clothing may not depict, advertise or advocate the use of alcohol, tobacco, marijuana or other controlled substances.
6. Clothing may not use or depict hate speech targeting groups based on, including but not limited to, disability, race, gender, ethnicity, nationality, immigration status, religion, sexual orientation, household income, gender identity, gender expression, or cultural observance.
7. Students may not wear clothing or accessories that feature offensive images or language including profanity, hate speech, pornography, vulgarities, or defamatory language.
8. Clothing must be suitable for all scheduled classroom activities including physical education, science labs, shop classes, field trips and other activities where unique hazards or specialized attire or safety gear is required.
9. Hats and other headwear must allow the face to be visible to staff. Masks are not allowed.

### **Bullying/Sexual Harassment**

Conduct that disrupts the orderly classroom or school environment includes harassment of students or staff, *such as bullying, including "cyberbullying," intimidation, hazing or initiation activity, ridicule, extortion, or any other verbal, written or physical conduct that causes or threatens to cause bodily harm or emotional suffering.*

**"Cyberbullying" includes the transmission of communications, posting of harassing messages, direct threats, social cruelty, or other harmful texts, sounds or images on the internet, social networking sites, or other digital technologies, using a telephone, computer, or any wireless communication device.**

Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation or friendships.

### **Education Code section 48900(r) defines bullying as:**

Any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act... directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

(A) Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property.

(B) Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.

(C) Causing a reasonable pupil to experience substantial interference with his or her academic performance.

(D) Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

Any student who engages in bullying or the sexual harassment of anyone in or from the district may be subject to disciplinary action up to and including expulsion. Any student who feels that he/she is being harassed should immediately contact the principal. Each complaint of bullying or sexual harassment shall be promptly investigated in a way that respects the privacy of all parties concerned. Beside the more obvious forms of sexual harassment that are more common among adults and adolescents, children at the elementary level are capable of other forms as noted below:

- Sexual slurs, threats, verbal abuse, derogatory comments, or sexually degrading descriptions

- Graphic verbal comments about an individual’s body, overly personal conversation, and/or inappropriate touching
- Sexual jokes, stories, drawings, pictures or gestures
- Spreading rumors (sexual or otherwise)
- Displaying sexually suggestive objects in the educational environment.

### **Racial/Ethnic Sensitivity**

Children will not make remarks, slurs, innuendoes, jokes, etc. including but not limited to, a person’s race, gender, ethnicity, religion, color, national origin, immigration status, sexual orientation, or background. These remarks made in general or directed toward another child, adult, or family will not be tolerated. Students who make such remarks are subject to suspension or other consequences and will be counseled on the issue. Participating in, or conspiring to engage in, acts of hate or violence is prohibited. Intentionally engaging in threats or intimidation that creates disorder, invades the rights of others, or creates a hostile educational environment is prohibited.

### **Gender Identity**

Per Education Code section 221.5(f): A pupil shall be permitted to participate in sex-segregated school programs and activities, including athletic teams and competitions, and use facilities consistent with his or her gender identity, irrespective of the gender listed on the pupil's records. Oak Park Unified School District's Administrative Regulation (“AR”) 5145.3(g)(4) states: A student shall be permitted to participate in accordance with his/her gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips.

## **OPUSD Student Technology Acceptable Use Policy**

Oak Park Unified School District offers its educational community a wide range of technologies to support teaching and learning. The district aims to promote a learning environment that is respectful, secure, and responsible. This Technology Acceptable Use Policy provides students guidelines as to how this can be carried out in a digital context.

Use of district technology resources shall comply with federal and state laws and in accordance with the policies and procedures of Oak Park Unified School District. This Student Technology Acceptable Use Policy also applies per California Education Code 48900 which describes a school’s jurisdiction over student activity and discipline to include:

- (1) *While on school grounds.*
- (2) *While going to or coming from school.*
- (3) *During the lunch period whether on or off the campus.*
- (4) *During, or while going to or coming from, a school-sponsored activity.*

The advent of online learning spaces, particularly those managed by the school district (including Google’s G-Suite/Google Apps For Education) expands the concept of class time beyond the school campus. In fact, students may consider their use of district provided online accounts a school-sponsored activity so that their actions and behaviors while online using school accounts and interacting with their classmates do fall under the purview of this Technology Acceptable Use Policy. This is particularly true in 1-to-1 take home mobile device programs.

OPUSD supports and encourages a student’s US Constitution First Amendment right to free speech, but recognizes that communication that adversely impacts a school’s instructional environment (such as making other students feel

unsafe while on campus or through a district managed online collaboration tool) is not protected by the First Amendment. This even applies to speech that occurs off campus (see US Supreme Court ruling in *Tinker v. Des Moines Independent Community School District*). Students are reminded to communicate responsibly while on-line at all times to ensure the school environment remains safe and welcoming to all.

District technology includes, but is not limited to, **District owned and/or district managed computing devices and peripherals** (e.g., computers, laptops, tablets, removable storage devices, wearable technology, interactive classroom projection systems, etc.) **District network and communication devices/services** (telephones, wired and wireless networks including WiFi access points, emergency radios, email systems, file servers, etc.), and **District managed on-line services** (such as G-Suite/Google Apps For Education, EADMS, Aequitas Q Student Information System, etc.); access to online information sources; and future technological innovations.

Failure to adhere to this policy may result in discipline including loss of access, confiscation of a device, or up to and including expulsion in accordance with the student behavior and discipline policies outlined in the student handbook. Students are expected to practice ethical behavior when using District and personal technology tools in all areas while refraining from harassment, academic dishonesty, and plagiarism. At the discretion of the school site, District administration, or in accordance with law, students may be disciplined for engaging in conduct deemed detrimental to the school and its mission, or harmful to other students. All aspects of this acceptable use policy apply whether District technology is accessed on or off campus and whether through District-owned or personally-owned devices. By using District managed technology tools and services, students and parents agree to the following stipulations:

1. By using District technology tools and services whether from personal or District-owned devices, students and parents grant specific consent, as defined by the California Electronic Communications Privacy Act (also known as Senate Bill 178), to the District to review and monitor all electronic communication information and electronic device information created with, stored on, or transmitted via District technology services.
2. Students and Parents acknowledge that the district may therefore monitor or access any and all student use of District technology without further specific advanced notice and that they have no expectation of any right to privacy while using district devices or network services, which includes, but is not limited to, any and all files and communications traveling over or stored on its network, or while using District provisioned accounts and online resources including email and online collaboration tools at any time.
3. Students agree to abide by the school's policies as outlined in the Student Handbook at all times, especially when using District technology tools and services. Students and Parents agree that any inappropriate use of technology while on campus or through district managed accounts off campus may result in school discipline.
4. Students understand that electronic devices are only permitted for educational uses while on campus. Students who play games, text message, or attempt to access social networking websites or applications during class time without the direction and supervision of a teacher may have the privilege to use District technology suspended or revoked. Repeated violations may result in more severe consequences.
5. Parents agree that the district may act as an authorized agent for the creation of student online accounts solely for educational purposes in accordance to state and federal student information privacy laws (COPPA, FERPA, SOPIPIA, etc.). District managed student accounts may include, but are not limited to, online accounts created to access Google G-Suit (Google Apps for Education), Apple iCloud/Classroom, Microsoft Office365, and access to other apps, programs, or online services and digital curriculum resources.
6. Parents agree that any content created by students (including text, posts, comments, images or video) may be shared appropriately online by the district, the school, or the student's teacher. The District holds the safety of its students in highest regard. However, the ability to share information and teach responsible digital citizenship is also vital to the educational process. This includes the use of e-mail, school learning management systems,

online collaboration tools, classroom photo sharing services, and other social media avenues when applicable under the guidelines of the District's Best Practices of Social Media in Education document.

7. Parents and students understand that cellular phones and personal electronic devices outside of the district's managed 1-to-1 computer program may be brought to campus and used only under specific circumstances. Students who bring personal electronic devices to campus do so at their own risk and release the District from liability due to loss, damage, or theft of device, or loss of use of the device if confiscated. All personal devices brought to campus by students (except those belonging to the district's managed 1-to-1 computer program) must be kept in the OFF position and out of view during class time unless specifically allowed by the instructor. These devices may only be used during class time under the direct supervision and instruction of a teacher or administrator. Failure to comply may result in the immediate confiscation of the device and the device will only be returned to a parent.
  - a) **Elementary & Middle School Policy Specifics:** Cellular phones and personal electronic devices must be turned off and stowed during school hours, including non-class time (e.g., recess, nutrition, lunch).
  - b) **High School Policy Specifics:** Cellular phones and personal electronic devices may be used during non-class time (e.g., nutrition, lunch), in a manner that abides by this acceptable use policy.
8. Students understand that school issued and personal electronic devices (including any device with a camera or other recording capability) may not be turned on or taken out of its covered carrying case/bag in a bathroom or locker room. If a student is found with a device turned on or out in the open in either of these locations the device will be confiscated immediately.
9. Parents and Students understand and agree that personally owned devices will not be searched unless there is a reasonable suspicion under the circumstances that the student is violating school rules, District policy, or the law. (*New Jersey v. T.L.O.*)
10. Students and Parents agree that images and videos of students may be used appropriately by the District for marketing and community outreach including on the school and district's website and print materials. Parents may choose to opt out by completing a **Student Media Release Opt Out Form** obtained from the school office and obtaining a counter signature for receipt of that Form from the school office manager. This must be done annually.

The following activities or uses of technology are strictly prohibited to ensure a **respectful** digital learning environment:

- Using technology to threaten, bully, or harass others. This may include, but is not limited to, sending, accessing, uploading, downloading, or distributing text, images, or other materials that are offensive, threatening, profane, obscene, or sexually suggestive.
- Recording video or audio of other students or staff without their permission.
- Searching for, accessing, or possessing lewd, sexually suggestive, graphically violent, or derogatory/demeaning images and/or media files.
- Posing online as someone other than themselves.
- Using District issued devices or network to search for and/or access repositories of illegal content, content that may cause harm to the District's network, or content that promotes, encourages, or teaches students how to commit an illegal act (i.e. bomb making, pirating electronic media, intentionally causing harm, etc.).
- Bypassing (or attempting to bypass) the District's internet content filter through a web proxy, anonymizers, or other means from a District or personal computing device.

The following activities or uses of technology are strictly prohibited to ensure a **secure** digital learning environment:

- Circumventing network security measures or attempting to access confidential, private, or restricted information on the District's network or district managed online services.
- Sharing one's passwords or access to online accounts with anyone other than the student's parent or trusted adult.
- Logging into a device or service with the account of another student or a staff member or otherwise gaining access to their files and accounts without their permission.
- Sharing or publishing personal information online such as a phone number, home address, financial information, social security numbers, family issues, login credentials and passwords.
- Destroying, damaging, defacing, or rendering unusable any property (both physical property like a computer, or virtual, such as a webpage) belonging to the District or another student or adult.
- Altering a district device's settings in a manner to cause confusion, frustration, or loss of use to other users (changing backgrounds, homepages, dock, network configurations, account logins, etc.).
- Using or installing viruses, malware, keyloggers, spyware, or other software/hardware that can be used to damage the District's network, harvest other users' login information and other data, or propagate unwanted messages or files.

The following activities or uses of technology are strictly prohibited to ensure a **responsible** digital learning environment:

- Illegally downloading, storing, installing, or transmitting copyrighted materials without the proper license or permissions. The district explicitly forbids student use of torrenting software or services on the District network.
- Stealing others' intellectual property including text, music, movies, and software, or using them without the appropriate citation or expressed permission in accordance with Copyright Laws and Fair Use guidelines.
- Visiting social networking sites that are not directly used for educational purposes (including Facebook, Instagram, Twitter, Vine, etc.) during class time.
- Use of instant messaging or chat rooms not directly related to instruction (including texting, picture messaging, audio and video messaging) during class time.
- Publishing personal information including private events and images (weekend plans or a party/event that not everyone in the class is invited to) or using social media to share images or brag about events in a way that may make others feel left out or uncomfortable.

Students are reminded that anything they put online creates a permanent digital footprint that remains out of their control. Be mindful the digital trail one creates for themselves and others is more like a tattoo which is almost impossible to completely erase. Apps, websites and software that claim to delete information may still leave a permanent record accessible to others. Students should not assume their online presence will remain private and should conduct themselves online expecting that any and all data they furnish could be accessible to a wider audience such as admissions officers and potential employers in the future.

A student whose behavior or device repair record indicates careless use or abuse of school issued devices or other District technology will be referred to the Administration for appropriate disciplinary action.

Academic and behavioral policies and expectations are applicable to all technology use on campus, while using school issued technology or personal devices, or any off campus use of technology that may cause a serious disruption on campus. The District reserves the right to intervene when off campus (including online) issues are brought to its attention that have the potential to impact school climate and safety.

### **Student On-line Accounts and Opting Out**

As the District works to fulfill its mission of preparing students for the work force they will soon be entering, it will increasingly utilize tools and resources that are housed on-line and accessed through the internet. On-line accounts are necessary to access web based file storage and collaboration tools such as Google Drive, Google Classroom, Google Docs, and District administered Google email as well as other educational web resources. These web and cloud based services permit on-line distribution and hand-in of student assignments, on-line based class discussions and collaboration activities, web based curriculum or learning resources, and in some grade levels, student email.

All District provisioned student accounts will be in compliance with state and federal student privacy requirements. In California, the Student Online Personal Information Protection Act SOPIPA (AB1584, SB1777, and AB1442) creates privacy standards for all on-line services catering to K-12 education in California and prevents them from advertising to students, building digital profiles about them, and/or selling harvested student information to other parties. The District believes these restrictions provide a safe environment for students to utilize accounts that are created by the District for accessing on-line educational resources and services.

The federal Child On-line Privacy and Protection Act (COPPA) allows Local Education Authorities (LEA's) such as districts and schools to provide consent on the parent's behalf to create online accounts which may collect student information limited to the educational context and for no other commercial purpose. Oak Park Unified School district operates under its guidelines to create and manage student online accounts. By law, parents may choose to have their child opt out of this implied parental consent. This may be done in Oak Park USD by obtaining the **Student On-line Account Opt-Out Form** from the school office, scheduling a conference with the school principal, and completing and signing the Opt-Out form in the presence of the principal who will counter sign receipt of the form after a discussion about the reasons for and the consequences of opting out.

Opting out of District managed online accounts for students would significantly impact a child's ability to participate in many class lessons and activities and would prevent students from learning state mandated digital citizenship principals and practicing responsible digital behaviors being taught in class. It might also make it difficult for them to receive assignments, participate in online collaborative class projects, submit work back to their teacher, or access online lessons, digital textbooks, and online tutorials. Because the district's progressive use of technology to enhance learning is part of its core values, virtually all parents recognize the importance of allowing the district to carry out its mission to promote responsible digital citizenship and safe online practices and behaviors for all students through creating and maintaining student online accounts.

As part of the student's graduated digital citizenship training strategy **students are not allowed access to email services in grades k-2** even though they will have a Google log-in. **Students in grades 3-8 will have limited email functionality** which only allows them to send and receive emails with their teacher and other students within the District, but not the "outside world" unless it is to a specific pre-approved site/destination for the purposes of a particular assignment. **Students in higher grades (9-12) may be granted more access to send and receive mails with individuals and organizations outside of the District** as needed, but all email communications may be monitored by the District.

### **Technology Acceptable Use Policy Student and Parent Acknowledgements**

Parents and Students to acknowledge receipt, reading, and understanding the contents of this policy on an annual basis.

Parents and Students acknowledge the receipt and reading of the OPUSD Student Technology Acceptable Use Policy. These policies are in effect whenever a student uses or accesses District technology, including the District

network or District managed on-line accounts. Parents and Students agree to abide by the OPUSD Student Technology Acceptable Use Policy as a condition for using district technology resources, networks, and accounts.

### **Notice of Student On-Line Account Opt-Out Form**

According to the Federal Children Online Privacy Protection Act (COPPA), the District must allow parents to Opt Out of the District's plans to create and manage on-line student accounts used for educational purposes. Parents may obtain the **Student On-line Account Opt-Out Form** from the school office, schedule a conference with the school principal, and then complete and sign the Opt-Out form in the presence of the principal who will counter sign receipt of the form after a discussion about the reasons for and the consequences of opting out. If parents do not submit a Student On-Line Account Creation Opt-Out Form, the District shall assume implied consent to the District creating and managing on-line accounts for their child(ren) in order to provide access to educational materials, services, and on-line storage of student information.

### **Notice of Student Photo and Media Release Opt-Out Form**

In accordance with California Education Code section 49076 and Title 34 of the Code of Federal Regulations, the District considers photographs (including digital photos) to be directory information and thus may be used by the District for non-commercial purposes including digital, on-line, and traditional publications. Parents may opt-out of the use of student photos by the District by completing the **Media Release Opt-Out Form** which may be obtained from the school office and submitting the completed form to the school office annually with a counter signature.

By using District technology resources after reading this AUP, we (Parents and Students) agree to not hold the District, or any District staff, responsible for the failure of any technology protection measures or users' mistakes or negligence and agree to indemnify and hold harmless the District and District staff for any damages or costs incurred as is required by Board Policy 6163.4.

### **Field Trips**

There are opportunities for field trips during the school year that are voluntary. Elementary students often attend Thousand Oaks Civic Arts Center productions. Some field trips are arranged with other home schooling programs. Parent permission must be given and often parent attendance requested.

Please note the following guidelines about field trips:

- When parent drivers are included on field trips, they are required to fill out the proper forms in advance and show evidence of minimum limits of liability insurance, not less than \$100,000 per person/\$300,000 per occurrence. The parent's insurance will provide primary coverage and the district insurance will provide secondary coverage.
- If driving, the parent's car must be in excellent mechanical condition and a seat belt must be available for all children. Students are not permitted to sit in the front seat. Children are safest in the back seat. Each child is required to be properly restrained in the back seat unless child is 8 years or older or weighs 60 pounds or more. The car must have enough gasoline to complete the trip without making a stop for gas. Parent drivers are responsible to ensure that children are safety belted and behaving appropriately in the car at all times.
- Parents who attend field trips should plan to supervise children the entire time.

- Parents are to help keep students safe and orderly. We need everyone 100% of the time.
- Parents who chaperone on field trips may not bring siblings with them.
- When driving on a field trip, all cars must go directly to the destination and return directly to school on the way back. **IT IS NOT PERMITTED TO STOP FOR FOOD, DRINKS, ETC.** or vary from the prescribed route.
- Parents are to refrain from constantly using cell phones on field trips because their primary responsibility is to supervise the students and help them to participate in the various activities. This also provides a major distraction to the student's learning.
- Often a donation is requested to pay for a field trip or a deposit is requested to hold a space. There are no refunds once these payments have been made.
- It important to understand that participation in a school-sponsored field trip is voluntary and students are not required to attend. Under the law, fees for school field trips may be charged, however, a fee will be waived for any student whose parent requests that it be waived.

### **Emergency Procedures**

An emergency plan including evacuation routes is posted in each classroom. Teachers will review emergency procedures with students during one on one meetings throughout the year. Please familiarize yourself with the plan so that you will know what to do in an emergency. In addition, fire drills, earthquake drills, active shooter drills and lockdown drills will be held throughout the year to help staff and students know how to react should an emergency arise.

### **Student with Disabilities**

A student identified as an individual with disabilities pursuant to the Individuals with Disabilities Education Act or Section 504 of the federal Rehabilitation Act of 1973 is subject to the same grounds for suspension which apply to regular education students. A manifest determination may be conducted based on the numbers of days suspended or a change of placement being reviewed due to the grounds of suspension.

### **Medications and Medical Conditions**

Students and parents should be aware that it is illegal to bring prescriptive or over-the-counter medications (including aspirin, Advil, or other pain relieving medication) onto a school campus. Students requiring medication any time during the school day must have a properly signed medical Release Form on file and have medicine stored and dispensed in the office.

### **School Discipline**

Students are expected to conduct themselves in an appropriate manner at all times. The staff and principal expect behavior that is respectful. Positive reinforcement and modeling are the most important tools regarding student behavior. There may be times when students will need to understand that there are consequences for their actions. The goal of discipline at OPIS is to assist parents in their role of providing guidance to their children and in helping students make positive choices regarding their behavior and actions. The following procedures will be implemented regarding violation of school rules:

- Students will be warned regarding the violation of a rule on the first offense. Warnings will not be given regarding fighting, theft, destruction of property. On these offenses a consequence will normally be issued on the first offense and will progress on succeeding offenses.
- ***Fighting will not be tolerated at Independent School. Problem solving and conflict resolution should be the goal.***

The Oak Park Unified School District follows a progressive approach to student discipline; see Board of Education Disciplinary Policies 5131.

## **Administrative Suspension**

The principal of the school, or the principal's designee, or the superintendent of schools may suspend a pupil from school for any of the reasons enumerated in Education Code Section 48900 for no more than five consecutive days. Suspension shall be imposed only when other means of correction fail to bring about proper conduct. See appendix for descriptions of State Education Code offenses.

## **Controlled Substances**

The Oak Park Unified School District follows a progressive approach to student discipline. Any student who is in possession of or under the influence of any controlled substance or look alike, including tobacco, alcohol, illegal drugs or misusing legal drugs will be suspended.

- Oak Park Independent School and the entire Oak Park Unified School District is a “**Smoke –Free Zone**”. Board Policy states that the use of any tobacco product by anyone on the grounds or buildings is strictly prohibited at all times. This also includes field trips with children off campus. This also includes vaping and/or use of ecigarettes.

## **Weapons**

The California firearms law prohibits any person from possessing or discharging a firearm in a school zone. A “school zone” is any area within 1,000 feet of our school or any school within the district. Penal Code 626.9 “California’s Gun-Free School Zone Act.” Any student who is found to be in possession of a weapon, including but not limited to, any knife or any type of gun including pellet, bb, or any explosive device including a firecracker or fireworks, will result in suspension and possible expulsion. In addition, the Ventura County Sheriff’s Department will be immediately notified. This includes any replica or look-alike of the aforementioned.

## Get Organized to be Successful

In order to be successful with independent study, it is critical that you be very organized each day. Design a schedule for yourself. The one following is an example of such a schedule. If you like to work for longer periods than are on the sample schedule, design one that is right for you.

Get a timer and set it for your study sessions during the week. It is not expected that you study on the weekends, but if you have tests coming up, or work that you want to do in order to get ahead, then go for it.

It is important that you take breaks. Try to be active during your breaks. Some suggestions are getting a snack or drink, stretching, walking, shooting baskets, practicing an instrument, listening to music, playing with a pet, or playing a game.

If you follow your daily schedule, you will have your evenings free to do things that you like to do.

Supplies that your study area should have are things like post-its for note taking as you read. Index cards can be used for making flashcards for vocabulary words, foreign language vocabulary, questions and answers for science and history courses. With these cards it is easy for a parent/guardian or friend to help you study for tests. Different colored index cards can be for different subjects...yellow for history, blue for math formulas etc.
