

2018/2019 ENGLISH DEPARTMENT NOVELS FOR SALE

Each year, students read novels in their respective English classes. One service that the PFA offers is to allow families to purchase those novels through the PFA. The PFA has included grade level & class specific order forms with these registration materials. Books will be distributed during registration and are only being sold by the PFA during registration. It is a win-win in that it saves your family a trip to the bookstore if you were going to purchase these novels anyway and the PFA gets 20% of the funds raised. Please note: some teachers require specific editions of books. If you are going to purchase novels on your own, visit the English department webpage to find a list of specific ISBN#s.

*Students will be provided the opportunity to borrow these novels from the school; however, novels borrowed from the school may not be written or highlighted in.

To purchase novels, please complete the form on page 2 or 3 of this document.

Cash or a check made payable to OPHS PFA must be attached to this form and brought with you to registration.
