Entitles student to free admission to Home games - <b>EXCLUDES Away, CIF or Tournament games</b> , discounts at dances & ASB sponsored events. <b>All OPHS Athletes are encouraged to purchase ASB Card.</b>	\$ 75      _____      _____
<b>Science Lab Notebook</b> – For all OPHS science classes. As part of our efforts to provide the best quality science education, we teach the students how to record and preserve their lab notes for all their science classes at OPHS. These special science notebooks are an excellent teaching and learning tool and we really would like to continue to incorporate them into our science program. We would like to ask parents to help us with the cost of the science notebooks which comes to about \$20 per student and, if taken care of, should last for all four years. NOTE: By law, public schools may not require parents to make this donation. Science notebooks will be provided whether you make the contribution or not. We are asking you for this voluntary donation so that we can use our state funds to provide the instructional program that makes Oak Park USD schools unique and exceptional.	\$20(donation)      _____      _____
<b>Yearbook Only</b> Beautiful color hard bound student annual distributed in May 2020. (Price will increase later in year.)	\$ 95      _____      _____
