

July 16, 2018

Dear Red Oak Families:

It is with great excitement that I welcome you to our 2018-2019 school year! I am very excited to be your newly appointed Principal of Red Oak Elementary School. It is my distinct honor and privilege to lead a school with such a rich tradition of excellence. Personally, I have 23 years experience as an educator and administrator in elementary education. I so look forward to working with each student and family as partners in learning.

Along with teachers and staff, we will continue to work hard to ensure each student reaches their individual potential while becoming compassionate and creative global citizens of the 21st century in a safe, nurturing environment.

Our learning community here at Red Oak is a true partnership and we invite all of our families to take part in our school and PFA events. There are many opportunities available such as volunteering in classrooms, field trips, and special events. Along with fun school-wide events, we encourage you to participate in activities such as our yearly Jog-A-thon, Bowling Night, Fall dance, and Spring event. You are welcome to all of our events and I invite you to join in all the fun happening at Red Oak Elementary!

Please feel free to visit the Oak Park Unified School District website www.oakparkusd.org/roes for more information about all of our programs or reach out and contact us at (818) 707-7972 or directly by email slafrenz@opusd.org.

On behalf of our community of students, parents, and staff, I welcome you to another amazing year of doing great things for our kids at Red Oak Elementary School!

Sincerely,
Stacy La Frenz
Principal
