Any request for supplies or donations toward the purchase of supplies, materials, equipment, field trips, programs, etc. is completely voluntary under the law in California public schools. Students may not be charged for participation in educational activities and may not be discriminated against or denied participation for not providing voluntary donations to the school. Should any student or parent believe they were impermissibly charged a fee or required to provide materials or supplies that they would not have otherwise voluntarily paid or provided, an application for reimbursement may be filed with the District by calling (818) 735-3206.
