Please Read Important Driver Insurance Requirements

Dear Field Trip Drivers:

In accordance with new County of Ventura Office of Education policy, all adults who drive students in their own personal vehicles must show evidence of minimum limits of liability insurance. These limits are in excess of the minimum required by the DMV so most insurance cards will not be sufficient to evidence this coverage. These limits are:

\$100,000 Limit of Liability per person

\$300,000 Limit of Liability per accident

Additionally, in no case shall the number of passengers, including driver, exceed the number of available seat belts.

a. Drivers must ensure that required seat belts and/or child passenger restraint systems are properly used. Child passenger restraint systems are required for children under eight (8) years of age *or* under 4 feet, 9 inches in height.

b. All passengers eight (8) years of age and older must wear his/her own seat belt. Seat belts are not to be shared.

c. Passengers will only ride in the cab if trucks are used.

In order for you to drive on field trips for Oak Hills Elementary, you must send in a copy of your driver's license and insurance policy showing dollar amounts and dates of coverage. This is required in addition to the completion of the field trip driver form even if you are only driving your own student.
