

July 2019

Dear Oak Hills Parents:

In a few short weeks, the Oak Hills students, staff, and parents will gather together to begin the 2019~2020 school year. I am looking forward to seeing our campus light up with bright smiling faces returning from summer break. I hope you have enjoyed relaxing and spending time with family and friends. If you are new to our school, we look forward to welcoming you. You will soon discover that your new Oak Hills Family is an amazing community where children flourish socially, emotionally, and academically.

On August 1<sup>st</sup> and August 2<sup>nd</sup>, we will be registering all students. This will allow you to take care of all the annual paperwork and also find out who your student's teacher will be. Please complete all forms, print, sign, and bring them with you to registration.

If you are new to Oak Hills Elementary School, please attend our New Student Orientations as follows:

**Discovery Kindergarten and Traditional Kindergarten Monday August 5<sup>th</sup> 2:00 - 3:00 pm.**

**First - Fifth Grade Friday August 1<sup>st</sup> 11:00 am -12:00 pm.**

Students and parents will have an opportunity to tour the campus, and a crew of student ambassadors will be here to welcome their new classmates and answer any questions they may have.

The continued success of Oak Hills relies heavily on positive parent support. As you complete the registration process you will meet some of our PTA volunteers. I encourage you to take advantage of this important opportunity to be involved in your child's education. The hard work of our dedicated parent volunteers, along with critical financial support, allows us to provide state-of-the-art instructional programs for all of our students. With the present state of Public-School funding your support is absolutely critical.

School will begin on Tuesday, August 6<sup>th</sup>. Please plan to arrive early and be patient as you search for parking. In addition to street parking, the church parking lot will be available for your use. Please do not park in the staff lot. Students will line up on the blacktop by grade level. Look for your teacher's name written on the playground in chalk. Also, please make sure your child knows the arrangements for after school pick up, or how to get to after school care.

Enjoy the rest of your summer break. I look forward to seeing you soon!

Sincerely,

Erik J. Warren  
Principal
