This Agreement shall not be interpreted or applied to provide unit members with professional or other advantages heretofore enjoyed unless expressly stated herein.

Except as specifically provided herein, or by mutual agreement, during the term of this Agreement neither party shall be required to negotiate with respect to any matter whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated, ratified and/or signed this Agreement. This constitutes a knowing and specific waiver of rights in connection with each and every subject matter specifically, expressly or implicitly classified as a matter within the scope of representation as defined by the Educational Employment Relations Act and/or any precedential decision of the Public Employment Relations Board.

ARTICLE 3 – SAVINGS AND SEPARABILITY

Upon the request of either party, the parties shall meet not later than ten (10) days after such request to negotiate in connection with the provision or provisions affected.

ARTICLE 4 – NON-DISCRIMINATION

Neither the District nor the Association shall discriminate against any employee on the basis of race, color, handicap, religion, sex, national origin, age (as provided by State and Federal law), marital status, nor on the basis of membership or lack of membership in an employee organization, nor participation in lawful employee activities, or refraining from participation in employee organization activities.

ARTICLE 5 – ORGANIZATIONAL SECURITY

Intent: It is the express intention of the parties that the agency fee obligation outlined herein constitutes a condition of continued employment and that the parties contemplate utilizing the remedies provided for in SB 1960 and Education Code 45601 for enforcing this Article

1. General Provision: The Association by letter dated June 29, 2001, has requested that the District initiate Agency Shop pursuant to SB 1960 effective August 27, 2001. Accordingly, in the event SB 1960 is repealed by the legislature or found to be illegal or unconstitutional by a court of competent jurisdiction, including appeals, if any, this clause shall be of no further force or effect and the District, upon request, shall meet and negotiate with the Association over a new Article 5.
2. Membership: Any member of the bargaining unit who is a member of the Association, or who has applied for Association membership, may sign and deliver to the District an assignment form authorizing deduction of unified membership dues. Such authorization for payroll deductions for payment of dues shall continue in effect until revoked in writing by the employee. Deductions shall be made in accordance with the District's procedures.
3. Notice of Amounts: The Association shall annually (by August 1) notify District fiscal services of the scheduled amount of that year's dues and service fees for purposes of payroll deductions. The District shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period commencing at least fifteen (15) workdays after such submission. Dues and service fees withheld by the District shall be transmitted to the Association at the address specified in writing by the Association for receipt of such funds. Such remissions to the Association will also note any personnel deletions or additions.
4. Agency Fee: Any unit member who is not a member of the Association or who does not make an application for membership within thirty (30) days following the effective date of this Article or, for those hired after the effective date of this Article, within thirty (30) days from the date of commencing duties, shall pay to the Association a service fee in an amount not to exceed the dues uniformly required of members; provided, however, that unit members may authorize payroll deduction for such fees in the same manner as provided under paragraph three (3).

5. Direct Payments: Any unit member who does not utilize the provisions of paragraph three (3) may arrange to pay service fees directly to the Association in a lump sum in lieu of having such fees deducted from his/her salary warrant.
6. Involuntary Deductions: In the event a unit member is delinquent in making direct payments, the Association shall so notify the employee by certified mail and the District in writing and request that the District initiate involuntary deductions. For unit members who have not executed voluntary written authorizations and are delinquent in paying service fees the District shall deduct from the salary warrant the amount of the service fees to be paid to the Association.
7. Prorating deductions: Deductions for bargaining unit employees who commence duties after the beginning of the school year and therefore are not subject to deductions until after the beginning of the school year, shall be prorated to the number of school months during the school year in which he/she is a member of the Association or otherwise subject to the terms of this Organizational Security Clause. Any fraction of a month shall be counted as a full month.
8. Religious Exemption: No unit member shall be required to join the Association or to make an Agency Fee payment if the unit member is an actual verified member of a bona fide religion, body, or sect which has historically held conscientious objections to joining and/or financially supporting employee organizations; this exemption shall not be granted unless and until such unit member has verified the specific circumstances. Such employee must, instead, arrange with the Association to satisfy his/her obligation by donating the equivalent amount to a non-labor, non-religion charitable fund, tax exempt under Section 501(c)(3) of the Internal Revenue Code, chosen from the following list:
 - a. United Way of America
 - b. F.A.C.T. (Foundation to Assist California Teachers)
 - c. American Cancer Society

The Association shall have the right to request the employee to provide reasonable verification of such payments in the form of either canceled checks and/or receipts.

9. Defense and Indemnification: The Association agrees to indemnify and hold harmless from liability and to pay all legal fees and legal costs incurred in defending against any court action and/or administrative action including before the Public Employment Relations Board, which action challenges the legality or constitutionality of this Article or its implementation; and the Association shall have the exclusive right to decide representation and to determine whether any such action or proceeding referred to herein shall or shall not be compromised, resisted, tried, or appealed.

The amount of this contribution will be based on a three (3)-tiered structure, and the amount of the

contribution for each eligible unit member shall be determined by the medical plan selected by the eligible unit member as follows:

- a. **Employee Only Medical Coverage:** For an eligible unit member who selects employee-only medical coverage, the District will contribute up to seven thousand three hundred seventy-one dollars (\$7,371) annually toward the payment of premiums for District provided group medical, dental and vision insurance.
- b. **Employee+1 Medical Coverage:** For an eligible unit member who selects employee +1 (two [2] party) medical coverage, the District will contribute up to twelve thousand seven hundred twenty-four dollars (\$12,724) annually toward the payment of premiums for District provided group medical, dental and vision insurance.
- c. **Employee+2 Medical Coverage:** For an eligible unit member who selects employee+2 (full family) medical coverage, the District will contribute sixteen thousand four hundred eighty-three dollars (\$16,483) annually toward the payment of premiums for District provided group medical, dental and vision insurance.

District payments of premiums will be made on a tenthly basis. Payroll deductions for employee insurance plans which exceed the District contribution will be made on a tenthly basis.

The additional funds expended by the District to implement the CVT program as described above will be acknowledged and credited toward the overall compensation package to be negotiated between the District and OPTA for 2011-2012 negotiations.

9. ***Enrollment Requirements:*** All full-time unit members shall be required to enroll in a District-provided health insurance, dental insurance and vision care plan. Part-time unit members working a minimum of fifty percent (50%) but less than one hundred percent (100%) of the school year, may participate in the District provided group medical, dental and vision insurance and shall receive a prorated share of the health and welfare premium contribution.
10. ***Health Insurance:*** Employees who are absent due to illness and who have exhausted their accumulated paid leaves shall continue to receive the full insurance benefit contribution to which they are entitled hereunder, for that period of illness not to exceed twelve (12) months following exhaustion of said leave, provided they remain employees of the District during that time.
11. ***Dental and Vision Care:*** The District shall provide dental insurance and vision care insurance through competitive carriers.
12. ***Insurance Committee:*** The District will continue to convene on an annual basis the health insurance committee consisting of two (2) District representatives, two (2) representatives appointed by OPTA, and two (2) representatives appointed by OPCA. The committee shall review current and alternate plans, benefits, carriers and premiums and prepare advisory recommendations for review by the District and the Association.

These recommendations are subject to negotiations before implementation. Members of the committee appointed by OPTA and the District shall have the authority to make recommendations which shall be given substantial weight by the Association and District Negotiating Teams. In the event that the negotiations process does not result in a timely decision regarding health benefits, the current year carrier and plan will continue with the understanding that this may require additional deductions from affected employees' salary to cover any increase in rates for the next school year.

13. **Section 125 Plan:** The District will maintain a Section 125 Plan permitting unit members to set aside a portion of their warrants for such items as medical care, medical premiums, childcare, etc.
14. **Other Deductions:** The District will make authorized payroll deductions for tax-sheltered annuities chosen by the unit member and for the Association Credit Union. The District and the Association shall be held harmless for any liability arising from carrier initiated cancellations or loss suffered by any employee taking part in any annuity or salary protection program. The District shall make authorized deductions for Social Security for such designated monies, which are not subject to State Teachers' Retirement System.
15. **Duration of Benefits:** Should an employee's employment terminate during the school year, he or she shall be entitled to continued coverage under the health, dental, and vision care plans per the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). Such employee shall reimburse the District for the continued coverage on a month-to-month basis for dental and vision premiums. Medical premiums are paid directly to the provider.

Should an employee's employment terminate following the last day of the school year and before the commencement of the ensuing school year, such employee shall be entitled to continue paid coverage under the health, dental, and vision care plans through August 31 of the current year. Thereafter, such employee will be entitled to continue such coverage per the provisions of COBRA.

A full-time teacher's regularly scheduled work year will be one hundred and eighty-five (185) days, consisting of at least one hundred and eighty (180) instructional days, two (2) contract workdays (non-student) and three (3) buy-back days contingent upon the continuation of state funding for this program. The regularly scheduled work year for other eligible bargaining unit members also includes three (3) SB 1193 buy-back days.

The regularly scheduled work year for the school nurse will be one hundred and eighty-five (185) days, for the counselors one hundred and ninety-two (192) days, and for the school psychologists one hundred and ninety (190) days. The District reserves the right to assign up to ten (10)

additional days to be paid at the affected employee's daily rate. Counselors and Psychologists shall be paid pursuant to Appendix "A" (Certificated Salary Schedule).

Working Hours Defined

All full-time teachers, and other bargaining unit members, as professionals, observe professional working hours. Teachers will be on site at least fifteen (15) minutes prior to the start of the student day and shall be available at those sites before and after school so as to provide reasonable time to meet with parents and to assist students.

Recess, nutrition and lunch supervision will not be required of K-12 certificated staff. However, in the event of an emergency, certificated staff may be assigned supervisory responsibilities on a short-term basis to ensure student safety. Administration shall replace supervisory duties with paraprofessionals or teachers on a stipend within two (2) weeks. If an emergency still exists, administration and association representatives shall meet to discuss other options. The District will make every effort to provide supervision at recess and lunch during inclement weather. However, if a situation arises where adequate supervision is not available, teachers may be assigned to supervise and will be paid the hourly rate of B-1 on the salary schedule.

All full-time K-8 teachers are required to attend open house, back-to-school night, parent conferences, one (1) monthly staff meeting, grade level meeting, subject/department meeting, and other functions agreed upon by the site faculty or consistent with current site practices. All teachers of 5th and 8th grade culminating students will be required to attend culmination ceremonies at their respective sites if held during the school work day.

Part time teachers shall be required to attend staff, department or grade level meetings that are consistent with the percentage of FTE that they are employed. Each teacher shall be responsible for obtaining all information disseminated at unattended meetings. Part time teachers will be required to attend Open House and Back to School Nights.

For grades K-5 there will be six (6) parent conference days in the fall to provide for conferencing with all students and four (4) parent conference days in the spring for those students who have been determined by the teacher to have a need for additional support. Parent conferences during the spring are optional for students who are meeting all grade level standards, but teachers will conference with any parent who requests a spring conference. Parent conference days are minimum days for grade K-5 as approved by the Governing Board of Education.

All high school teachers are required to attend parent conferences, back-to-school night, open house and graduation ceremonies, one (1) monthly staff meeting, grade level meeting, subject/department meeting and other functions agreed upon by the site faculty or consistent with current site practices.

At the principal's discretion, he or she may call additional grade level or subject/department meetings as are reasonable under the circumstances. Notice of the dates and time(s) for regularly scheduled staff, grade level, and department/subject level meetings will be posted at the beginning of each semester. Such meetings shall be held within an eight (8) hour (inclusive of at

least a thirty (30) minute duty free lunch) on-site workday. Staff may vote to continue a meeting beyond the eight (8) hour period.

All full time middle and high school teachers will supervise six (6) hours per year of co-curricular assignments; one (1) approved club sponsorship satisfies the six (6) hour requirement. All part time teachers shall supervise hours based on their FTE. Non-voluntary supervision beyond the six (6) hour requirement will be compensated. Elementary teachers will not be required to serve on more than one stipend or non-stipend committee/assignment per year. All elementary stipend assignments are voluntary and teachers who accept these duties will not be required to serve on additional non-stipend committees/assignments. The stipend amounts will be determined by site administrators and teachers based on the district allocation of stipends to the school site. Voluntary supervision is not compensated. Leadership positions (e.g., School Leadership Team, Site Council, Department chairs, etc.) shall only be filled by permanent teachers.

Every attempt will be made to schedule IEPs during the instructional school day. Insofar as is legally permissible, regular classroom teachers who are required to attend IEPs, after the instructional school day, will be scheduled as near to the beginning of the IEP as possible and permitted to leave when their responsibility for the IEP has been discharged. (Subject to regulations by the U.S. Department of Education). When reasonably possible, site administrators shall schedule all IEPs to be held within an eight (8) hour school workday (inclusive of at least a thirty (30) minute duty free lunch).

As a general rule, teachers will return messages, including e-mails, from parents no later than forty-eight (48) hours after receipt, weekends and holidays excepted. Part-time teachers will return messages no later than forty-eight (48) hours upon returning to work. Part-time teachers will inform parents of their work schedule.

SB 1193 Buy Back Days Defined

In response to teacher input regarding the use of the Buy Back days, the Curriculum Council and Leadership Team will provide a plan to address staff development.

Staff will complete twenty-one (21) hours of professional development within the school year.

The District may provide professional opportunities during the summer and for several days before the opening of school. Two (2) Buy Back Days, where professional development opportunities will be offered, will be calendared during the school year. Specifically, approved conference or workshop attendance that is outside the workday could be used toward the twenty-one (21) hours. The District will also work to use some of our trained teachers as staff development presenters as part of this plan and pay stipends to them for this work.

Teachers will be a part of the professional development design process through Curriculum Council.

If a teacher misses any portion of these twenty-one (21) hours, their sick leave will be charged in one-half (1/2) day minimum increments. A half-day is equal to three point five (3.5) hours of participation. For example, if a teacher completes only thirteen (13) hours, he/she will be charged

a half day against their sick leave. If a teacher completes only ten (10) hours, then he/she will be charged a full day of sick leave.

Teachers will be required to keep and maintain a log provided by the District that will be used to keep track of the twenty-one (21) hours.

Participation in District committees and in-services after the student day is voluntary; exception may be made for statutorily required in-services and professional development days for which a teacher is paid within the one hundred eighty-five (185) day contract.

Calendar Development Process

The district will continue its practice of annually convening a joint calendar committee to make recommendations to the Board of Education for adoption of the school district calendar for future years. The Association will appoint two (2) members of the committee to support the process of calendar recommendations.

The following criteria shall be considered in determining class size:

1. The physical limitation of a room or building

The principal shall investigate the assault, obtain information from all sources and, upon request, accompany the unit member in court appearances arising out of the assault.

If the ten (10) accruable days are exhausted in a given year, the two (2) additional days can be used for personal illness, injury or necessity during that year. These two (2) days are non-accruable if not used. Bargaining unit members who resign or otherwise terminate their employment prior to completing a full school year shall receive the prorated number of ten (10) accruable days for that year. If a bargaining unit member has exhausted all ten (10) accruable personal illness and injury days, the two (2) additional days and has no accumulated sick days, the District will allow a bargaining unit member upon request, up to eight (8) additional sick or personal necessity days to be paid at the difference between their daily rate of pay and substitute pay. All conditions contained within the Personal Necessity/Exhausted Sick Leave/Bereavement Leave Request form shall remain in force. The personal necessity absences are to be approved in advance by the supervising administrator except in case of an emergency. teacher's services and the charging of an additional day of personal illness leave against the bargaining unit member.

Extended Personal Illness Leave

When a bargaining unit member has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of illness or accident for a period beyond the five (5) month period, and the bargaining unit member is not medically able to resume the duties of his or her position, the bargaining unit member shall be placed on a re-employment list for a period of twenty-four (24) months if the bargaining unit member is on probationary status, or for a period of thirty-nine (39) months if the bargaining unit member is on permanent status. When the bargaining unit member is medically able, during the twenty-four (24) or thirty-nine (39) month period, the bargaining unit member shall be returned to employment in a position for which he or she is credentialed and qualified. The twenty-four (24) or thirty-nine (39) month period shall commence at the expiration of the five (5) month period provided above. If after investigation the District concludes that the absence is not due to personal illness or injury, the leave shall be without pay. The guidelines and procedures as referenced in EC 44043.5 are listed below:

1. A permanent employee who has exhausted all accrued paid leave credits may request up to twenty-five (25) additional days of paid sick leave, as a result of a catastrophic illness or injury. When the twenty-five (25) days are exhausted, the employee may apply for an additional twenty-five (25) days. An employee may not receive more than fifty (50) days in a twelve (12)-month period.
2. For purposes of this agreement, a "catastrophic illness or injury" means an illness or injury that is expected to incapacitate the employee for an extended period of time or one that requires an absence due to a serious illness or injury of a family member that requires the immediate presence of the unit member. A medical verification will be required to substantiate the illness or injury.
3. Bargaining unit members with less than ten (10) accumulated sick leave days may not contribute sick leave days. All donated days must be for full days and therefore are irrevocable except as described in paragraph 9 below. Donated days will first be taken from a bargaining unit member's current year ten (10)-day entitlement. If a bargaining unit member has exhausted their current year ten (10)-day sick leave entitlement, the two (2) additional non-accruable days for personal illness may not be donated to another employee.
4. Whenever possible, the employee must submit a request for the additional days to the Human Resources Office at least ten (10) working days prior to exhausting all sick leave.
5. OPTA shall contact bargaining unit members and request that they voluntarily donate sick days from their personal sick leave for use by the employee requesting the catastrophic leave. Any employee may donate no more than three (3) days per request. Employees choosing to donate sick leave days must complete and sign the appropriate form and submit the form to the OPTA Executive Board.

6. All catastrophic leave requests shall be reviewed by a Catastrophic Review Committee consisting of two (2) representatives selected by OPTA and two (2) members selected by the District. The Committee shall determine if the illness or injury meets the appropriate criteria.
7. OPTA shall use a lottery system to rank order the donated days. The ranked list shall be submitted to the Human Resources Office for use as needed. Employees who donate sick leave days shall receive written notice by Certificated Payroll when their day(s) are used by a bargaining unit member who has requested the catastrophic leave.
8. At the completion of the catastrophic illness, employees who donated days that were not needed will also be notified by the Human Resources Office.
9. Sick leave days may only be donated for individually approved catastrophic leave requests. Donated sick leave days will not be banked by the District. Any days not used shall be returned to the employee(s) who donated them according to the rank order established by OPTA.
10. Catastrophic leave may not be used for elective surgery, personal necessity leave, or normal pregnancy.
11. Days donated by a bargaining unit member will be counted in the current year's calculation for the year-end reimbursement for unused sick leave.
12. Part-time employees may only donate days in full-day increments (e.g., a 50% bargaining unit member would need to donate two (2) sick days to equal a full-day for the catastrophic bank).

The decisions of the Catastrophic Review Committee shall not be subject to the grievance process.

Miscellaneous Provision Regarding All Leaves

Unless otherwise provided in this article, every effort will be made to return a teacher on any paid or unpaid leave-of-absence to a similar position which the teacher held immediately before commencement of the leave, i.e., K-2, 3-5, 6-8, 9-12.

ARTICLE 15 – JOB-SHARING

Definition: Job-sharing shall refer to two (2) permanent teachers sharing one teaching assignment on a half-time basis (50% FTE).

Two (2) teachers shall share an assignment for a minimum of one (1) year. Only regular permanent teachers shall be eligible for job-sharing.

Applications for a job-sharing assignment for the following school year shall be filed with the District no later than March 1.

All requests for job-sharing shall be reviewed by the principal and a District Office representative.

The District representative shall approve or deny the request. The decision of the District representative shall be final. Such decision shall not be subject to the Grievance/Arbitration provisions of this Agreement.

If the request for job-sharing is denied, and if the affected employee(s) requests, the reasons for the denial shall be provided.

Notwithstanding other provisions of this contract, job-sharing teachers' wages, benefits, and paid leaves shall be prorated relative to the actual time worked. In no event shall the total amount of health and welfare benefits for the job-sharers exceed the amount the District would have paid if the position had not been shared.

Job-sharing teachers shall receive salary schedule increments on the salary schedule if they are on a paid status seventy-five percent (75%) of the days of his/her contract and complete a minimum of fifty percent (50%) of the days that school is in session. STRS credit shall be governed by applicable statutory provisions and years of service credit will be calculated independently by the California State Teachers' Retirement System.

Upon request of the two (2) teachers, a job-sharing assignment may be renewed provided the two (2) teachers notify the District prior to March 1. In the event the two (2) teachers fail to notify the District in a timely basis of their desire to continue the job-sharing assignment or in the event the District does not approve the continuance of the assignment, the teachers shall be returned to full-time assignments.

If a teacher in a job-sharing assignment returns to full-time teaching following his/her first year of job-sharing, the teacher shall be returned to his/her original school. If a teacher in a job-sharing assignment returns to full-time teaching following more than one (1) year of job-sharing, he/she will be assigned to his/her original school if a vacancy exists, otherwise the teacher will be assigned to the first available position for which he/she is credentialed and competent.

Responsibilities of the job-sharing assignment shall be allocated according to a plan designed by the job-sharers, with the concurrence of their immediate supervisor. This shall include, but not be limited to, attendance at regular staff meetings, District meetings, and parent conferences. Job-sharers are expected to attend Back-to-School Night and Open House.

Individual job-share agreements shall be provided to the Association on an annual basis.

ARTICLE 16 – GRIEVANCE PROCEDURE

Definitions

A "grievance" is an allegation by the Association or one (1) or more unit members that there has been a misinterpretation, violation or misapplication of a specific provision of this Agreement. Other matters for which a specific method of review is provided by law, by the Rules and Regulations of the Board of Trustees or by the Administrative Regulations and Procedures of this District are not within the scope of this procedure.

A "day" is any day that the District Office is open for business except for days during the Winter Break and during Spring Break.

The "Immediate Supervisor" is the lowest level supervisor or management employee having immediate jurisdiction over the grievant.

General

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

The time limits contained herein are considered maximum time limits; however, time limits may be extended by mutual agreement. In the event the grievant fails to meet a time limit, such failure shall constitute a waiver of the grievance. In the event the District fails to meet a time limit, such failure shall allow the grievant to proceed to the next level of the grievance procedure.

Grievance Steps

Informal Step: Before filing a formal written grievance, the grievant shall attempt to resolve the grievance through an informal conference with the grievant's immediate supervisor. Such conference, as well as actual formal filing of a written grievance in the event the conference does not resolve the problem, must take place within the applicable time limits as outlined in Step I below.

Step I: No later than thirty (30) days following the act or omission giving rise to the grievance, or, no later than twenty (20) days following the date upon which the employee reasonably should have known of the act or omission, the grievant must present such grievance in writing on an appropriate form to the immediate supervisor.

The written grievance shall contain a clear, concise statement of the grievance, the specific provision(s) of the Agreement allegedly involved, and the specific remedy sought.

The immediate supervisor shall communicate a written decision to the employee within seven (7) days after receiving the grievance.

Within the above time limits, either party may request a personal conference with the other party.

Step II: In the event the grievant is not satisfied with the decision at Step I, the grievant may appeal the decision on the appropriate form to the Assistant Superintendent Human Resources

within ten (10) days. Failure to meet this time limit by the grievant shall constitute an automatic waiver and withdrawal of the grievance.

The Assistant Superintendent shall communicate a decision within ten (10) days after receiving the appeal. Either the grievant or the Assistant Superintendent may request a personal conference within the above time limits. If the Assistant Superintendent does not respond within the above time limits, the grievant may automatically proceed to the next step.

Step III: In the event that the grievant is not satisfied with the decision at Step II, the grievant may appeal the decision on the appropriate form to the Superintendent or his/her designee within ten (10) working days. Failure to meet this time limit by the grievant shall constitute an automatic waiver and withdrawal of the grievance.

The Superintendent or his/her designee shall communicate a decision within ten (10) days after receiving the appeal. Either the grievant or the Superintendent or designee may request a personal conference within the above time limits. If the Superintendent or designee does not respond within the above time limits, the grievant may automatically proceed to the next step.

Step IV: If the grievant is not satisfied with the decision at Step III, he/she may, within ten (10) days, submit to the Superintendent or his/her designee a written request for mediation of the grievance. In this event, the Superintendent shall, within three (3) days following receipt of such request, submit to the California State Conciliation Service a written request for the immediate services of a mediator.

The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process. At the outset of this process, the mediator shall schedule and hold an informal conference at which time the parties to the grievance shall submit to the mediator a clear, concise written statement of the reasons for his/her appeal to the mediation process.

If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement to that effect and thus waive the right of either party to any further appeal of the grievance.

The District and the Association have agreed that this level may be waived by mutual agreement of the District and the grievant. If no satisfactory settlement is reached within ten (10) days following the first meeting with the mediator, either party may appeal the grievance to Step V.

Step V: If the grievant is not satisfied with the disposition of the grievance at Step IV, the grievant may within ten (10) days request in writing that the Association submit the grievance to binding arbitration. A copy of such request shall be simultaneously served upon the Superintendent. Within fifteen (15) days after receipt of such request from the grievant, the Association by written notice to the Superintendent may elect to submit the grievance to binding arbitration.

In the event the parties are unable mutually to agree upon an arbitrator, they shall request that a panel of seven (7) names be submitted to both parties by the California State Conciliation

Service. Upon receipt of the list of names, the parties shall alternately delete names from the list until only one (1) remains, and said last named shall be selected as the arbitrator. The Association shall strike first and thereafter in subsequent arbitrations, the parties will alternate striking first so that the District strikes first in the second arbitration, etc.

The arbitrator's decision shall be final and binding upon the parties hereto, and shall be in writing and shall set forth his/her findings of fact, his/her reasoning, conclusions, and remedy. The arbitrator's authority shall be limited, to deciding the issues submitted by the parties; and the arbitrator shall have no power or authority to add to, subtract from, alter, delete, amend, or modify the terms of this Agreement or the written policies, rules, regulations, and procedures of the District. In the event the issue of arbitrability is raised, it shall first be submitted to the arbitrator, prior to a consideration, if any, of the merits.

All costs for the services of the arbitrator, including, but not limited to, per diem expenses, travel, and subsistence expenses and the cost of any hearing room will be borne equally by the District and the Association. All other costs will be borne by the party incurring them. Transcript costs, if any, shall be paid by the party or parties ordering such.

The processing of a grievance beyond Step III shall constitute a clear and express waiver of rights to utilize any other legal or administrative forum to the extent permitted by law.

Miscellaneous

A unit member may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by a representative provided by the Association.

If a unit member is not represented by the Association, the District shall not agree to a resolution of the grievance without first providing the Association with a copy of the grievance, the proposed resolution, and an opportunity to respond.

The Association will exclusively receive time off from duties for the processing of grievances herein for unit members who are designated as Association representatives, subject to the following conditions:

1. By no later than thirty (30) days following the signing of this Agreement, the Association shall designate in writing to the Superintendent the names of three (3) unit members who are to receive the time off; changes shall be given to the Superintendent in writing as they occur;
2. Twenty-four (24) hours prior to release from duties for grievance processing, the designated representative must inform the immediate supervisor in order that substitute service may be obtained, if such is necessary;
3. That time off shall be limited solely to one (1) designee representing a grievant, and the grievant, in a conference with a management person; and
4. Under no circumstances shall this time off include use of time for matters such as investigating grievances, gathering information, interviewing witnesses, or preparing a presentation.

If a grievance arises from action or inaction above the level of the grievant's immediate supervisor, the grievant, subject to the applicable time limits, may submit the grievance in writing at Step II. Nothing herein shall prevent or preclude the grievant from attempting to resolve the grievance through an informal conference with his/her immediate supervisor subject to applicable time limits.

ARTICLE 17 - COMPLAINTS AGAINST UNIT MEMBERS

The purpose of this procedure for resolving complaints concerning unit members is to secure, at the lowest possible staff level, equitable solutions to the problems that from time to time arise within the site or the District.

Complaints against unit members submitted by members of the public shall be processed as follows, unless otherwise prohibited by law:

1. The complaint shall initially be brought to the attention of the unit member by the complaining party.
2. The immediate supervisor shall attempt informally to resolve the complaint between the complainant and the involved unit member; such informal attempt shall include at least one (1) meeting attended by the complaining party and the unit member.
3. In the absence of informal resolution, the complainant shall be informed of the provision for submitting a formal written complaint. Accordingly, the complainant shall be provided a copy of the Formal Complaint Forms and Procedures as contained in Board Policy 1312.1 and Administrative Regulation 1312.1. The immediate supervisor, within ten (10) working days, shall formally investigate the written complaint and shall provide a written response to the complaining party and to the employee. If the supervisor has determined that the complaint has merit, the employee shall have the right to submit a written response for attachment to the supervisor's response.
4. The complaining party or the unit member may request that the Superintendent or his/her designee review the complaint and responses and propose resolutions to the complaint. The Superintendent or designee's review may be based upon the existing file or he/she may request additional information. Such information may be obtained by scheduling a meeting with the complaining party and the employee for the purpose of acquiring additional information, clarifying issues or proposing various forms of resolution. The Superintendent's decision with respect to such complaints shall be final and conclusive unless the Board, upon request of either party, exercises its discretion to review the matter further.
5. Before reviewing the matter, the Governing Board shall request that a written report of the matter be submitted by the Superintendent. Such report will contain, at a minimum, the name of the employee(s) involved, a brief but specific summary of the nature of the complaint and the facts which apply to the complaint, any findings or responses submitted at preceding levels of the process, a copy of the actual complaint, a summary of the Superintendent's efforts at resolution and a recital by the Superintendent that disposition of the matter at the Superintendent's level was not achieved and the reasons therefor. The Governing Board's

review, if any, shall take place in closed session unless the employee requests an open session and such open session is not otherwise precluded by law and/or recognized privacy considerations, particularly student privacy. The Board's decision shall be final.

6. Prior to holding a review hearing on the matter, the Board may choose not to review it leaving the final decision at the Superintendent's level.
7. These procedures do not apply to matters which may be handled or investigated under other District Complaint Procedures or the Grievance Procedures of this collectively negotiated agreement.
8. Upon request the affected employee is entitled to Association representation at any or all stages, except the informal meeting stage, of this procedure. For the purpose of this Article, the phrase "informal meeting stage" is limited to a one-on-one meeting with the complaining party.

ARTICLE 18 – PERSONNEL FILES

The District will maintain the unit member's official District personnel file in a central location.

Subject to the conditions outlined herein, materials in an employee's personnel file are to be made available for inspection by the unit member. Unit members shall have the right to inspect these materials upon request provided that such request is made at and for a time when the person is not actually required to render services to the District. Such materials are not to include ratings, reports or records which: 1) were obtained prior to the employment of the person involved, 2) were prepared by identifiable examination committee members, or 3) were obtained in connection with a promotional examination.

Materials placed in a unit member's file shall be signed and dated by the person or persons who prepared the materials.

Information of a derogatory nature, except for the excluded materials indicated above, shall not be entered or filed unless and until the employee is given notice and an opportunity to review and comment upon the materials. An employee shall have the right to enter, and have attached to any derogatory statement, his or her own comments thereon. Upon request by the unit member a review of such derogatory materials shall take place during conference or preparation period or other non-teaching time and the employee shall be released from duty for this purpose without reduction in salary. The unit member may also conduct such review during non-working time, provided it is during normal business hours.

The obligation to provide notice and an opportunity to review is satisfied by a statement attached or affixed to the material informing the employee that the material will be placed in the unit member's personnel files ten (10) days from notification and that within that time the unit member may submit a written response which shall be attached to the materials and placed along with them in the personnel file. Failure to submit such written response within the ten (10) days constitutes a waiver of the employee's right to do so.

If the unit member alleges that the material is false and/or unfounded, the employee may initiate a grievance to determine the truth or falsity of the information. If the Grievance Procedure establishes the truth of such materials, the unit member shall be foreclosed from contesting the truth of such materials in any subsequent administrative or legal proceedings. The right to file a grievance does not apply to:

1. Materials placed in the file as part of a statutory notice of Unprofessional Conduct or Unsatisfactory Performance under Education Code section 44938 or its successor, if any;
2. The substance of an employee's evaluation unless specifically permitted by another provision of this Agreement.

An employee, while inspecting his or her personnel file may be accompanied by a representative. The unit member may provide written authorization which shall permit a representative to inspect and/or copy materials from the unit member's personnel file. An employee shall be entitled to obtain copies of materials subject to inspection, provided the employee reimburses the District for the reasonable cost of producing the copies.

Access to a unit member's personnel file shall be limited to a "need to know" basis. Access authorization must be obtained from either the Superintendent or Superintendent's designee. The contents of all personnel files shall be kept in strictest confidence. The District shall keep a log indicating the persons who have requested to examine a personnel file, as well as the dates such requests were made. Such log shall be available for examination by the unit member or her/his authorized Association representative.

ARTICLE 19 – TRANSFERS AND REASSIGNMENTS

Purpose

The primary purpose of this Article is to support the best educational interests of children, the District and affected school sites by placing certificated personnel where their individual skills and aptitudes can flourish. Thus, transfers and reassignments may be made for any number of reasons including, but not limited to, fluctuations in grade level and/or site enrollment, needs to combine or split classes, remediation for an individual teacher based upon concerns which have been previously communicated to the teacher, legal reasons and simply filling vacancies. Transfers and/or reassignments will not be implemented for disciplinary or punitive purposes.

Definitions

1. **Transfer:** A change by a bargaining unit member from one (1) school to another school within the District; or from one (1) work site to another work site within the District. The definition does not apply to traveling teachers or teachers with multi-school assignments or responsibilities. Subject to the provisions of this Article, a teacher may request a transfer (voluntary) or may be transferred by the District (involuntary).

2. **Reassignment:** Movement of a unit member from one (1) grade level to another or from one (1) subject area to another within the same school. For departmentalized grade levels, a reassignment is defined as a 3/5 or more change in the department to which a classroom teacher is assigned and which change occurs entirely within one (1) school year.
3. **Vacancy:** A true opening on the staff at a particular school, which the District has determined to fill and which is not filled by voluntary or involuntary reassignment of a current staff member at the particular school.
4. **Order of Filling Vacancies:** The District may fill vacancies through reassignment and involuntary transfer before posting the Vacancy for Voluntary Transfer.

Voluntary Transfer

Permanent employees may apply for any posted vacancy for which they are credentialed and qualified. Vacancies, which the District has determined to fill, shall be posted in all schools. All postings shall include the closing date for filing applications. The closing day for current employees shall be no less than seven (7) calendar days after posting unless the District demonstrates an unanticipated need to fill the vacancy sooner. A teacher who wishes to be notified of job postings during the summer shall indicate as much on the Assignment Objective Sheet indicating the site or sites to which they want to transfer and/or the grade level or levels to which they want to be reassigned, along with a valid mailing address for the summer. Notices of vacancies at the indicated sites and/or grade levels shall be mailed to such teachers. The District will update its job line whenever a vacancy is to be posted. The District is free to hire outside candidates but only after District employees have received priority consideration.

Requests for transfer will be considered applying the following criteria:

1. Educational needs of the District and/or affected school site(s);
2. Qualifications and experience of the candidates;
3. Length of service with the District; and
4. Any other relevant information, which has previously been brought to the attention of the unit member.

If, in reviewing the criteria, District and site level administration determine that two (2) or more competing applicants are qualified and their qualifications are equal, the candidate with the greatest length of District service will be selected.

Upon request, unsuccessful applicants will receive a written statement of the reasons for non-selection.

Involuntary Transfer

An involuntary transfer may be initiated in order to fulfill specific educational needs, as a response to enrollment changes, or as part of an effort to assist or remediate an affected teacher. Involuntary transfers shall not be made for reasons that are arbitrary, capricious or unlawfully discriminatory.

If, as a result of an involuntary transfer, a teacher is displaced, and displacement could affect more than one (1) teacher, then the teacher(s) to be displaced shall be selected based upon the following criteria:

1. Educational needs of the District and/or affected school site(s);
2. Qualifications and experience of the candidates;
3. Length of service with the District; and
4. Any other relevant information that has previously been brought to the attention of the unit member.

If, in reviewing the criteria, District and site level administration determine that two (2) or more competing applicants are qualified and their qualifications are equal, the candidate with the least amount of District service will be selected.

Upon request, teachers selected for involuntary transfer shall be notified of the reasons therefor in writing.

Reassignments

Unless there is a remedial need for reassigning a specific teacher, site administrators will first seek qualified volunteers for reassignment and review the same criteria that apply to requests for voluntary transfer. If the site administrator determines that there are no qualified volunteers, he/she may make an involuntary reassignment based upon the criteria applicable to involuntary transfers.

Except for reasons beyond the District's control, a teacher with five (5) or more years with the District shall not be involuntarily reassigned more than once in a three (3) year period.

All reassignments are governed by and subject to the District's legal requirements.

Assignments

Initial assignments are within the sole judgment and discretion of the District. The District will make every effort to notify a teacher in advance of a transfer or reassignment. The District will notify a teacher by May 1st of the preceding year if he or she is to be transferred or reassigned for the following school year and the decision to transfer or reassign has been made. In other circumstances of an unanticipated or emergency nature, the teacher will be notified as soon as practicable after a decision to transfer or reassign has been made.

Vacancies, which occur later than three (3) weeks prior to the beginning of the school year or a semester, may, at the District's discretion, be filled either through the contract procedures or by hiring a substitute or temporary teacher.

When a bargaining unit member has to relocate to a new classroom/office, due to transfer or reassignment, the District shall provide the bargaining unit member with assistance in moving. The District will provide all boxes, at least, five (5) days prior to the move. Additionally, bargaining unit members involuntarily transferred or reassigned will be paid one (1) day at their daily rate or provided with one release day to facilitate the move.

ARTICLE 20 – DISCIPLINE

Discipline of permanent employees shall be for cause, provided that in the exercise of this right the District will not act arbitrarily, capriciously or in violation of the terms of this Agreement.

For the purpose of the Article, discipline shall not be defined to include termination or non-reelection pursuant to California Education Code.

1. *Infractions:*

Grounds for imposition of discipline shall be limited to:

- a. Violations of Board policy
- b. Violations of site handbooks
- c. Tardiness

Penalties:

Imposition of penalty under this Section "1" shall incorporate concepts of progressive discipline utilizing verbal reprimands, counseling, written reprimands and letters in the personnel file. Docking for habitual tardiness shall not exceed an amount commensurate to the time missed.

2. *Major Infractions:*

Grounds for more serious discipline are limited to:

- a. Insubordination following repeated written warnings in connection with items listed under "1" above;
- b. Conduct which endangers the health and/or safety of the employee or other employees and/or students or members of the public;
- c. Falsifying and/or misrepresenting facts on District forms or records;
- d. Willful violations of the Education Code or other California law;
- e. Flagrant disobedience of or willful refusal to follow the reasonable rules, regulations and/or directives governing employment that have previously been brought to the attention of the unit member and/or that is of such a nature that it warrants serious penalty.

Penalties:

In the event it is necessary to impose heavy sanctions, penalties shall not be limited to:

- a. Suspension with or without pay for up to ten (10) working days;
 - b. Involuntary transfers;
 - c. Nothing herein shall limit the District's authority to impose penalties where such are specifically authorized by the Education Code or other California law;
 - d. Docking for leave abuse under 2.a or 2.c and tardiness under, 1.c may not exceed one hundred and ten (110) percent of the actual time missed for that incident
3. With the exception of any accompanying written reprimand, there shall be only one (1) penalty per infraction. The principle of one (1) penalty per infraction shall not apply to conduct documented for purposes of a ninety (90) day notice of unsatisfactory performance pursuant to Education Code section 44938.

Conduct subject to the employee's formal evaluation is not governed by this Section except to protect the health and/or safety of the employee, students, other employees and the public or where the employee repeatedly and willfully fails and refuses to comply with written directives. Except in the latter instances, there shall be no right to representation in the conferences called for under Article 21.

4. During any interview, which the unit member reasonably believes may lead to discipline, the unit member may request the presence of an Association representative. During any interview wherein the administrator is considering recommending or imposing discipline, the administrator shall inform the affected employee of his/her right to request the presence of an Association representative. However, the administrator need not unreasonably delay or postpone the interview to accommodate the representative's schedule.

Written notice of disciplinary action shall inform the unit member of his/her right to appeal through the Grievance Procedure and his/her right, upon request to the Association, to be represented.

ARTICLE 21 – EVALUATIONS

Evaluations shall be conducted in a manner consistent with the provisions of applicable Board policy and state law.

Purpose

Evaluation is one (1) means by which to improve the quality of education provided to students. It is an ongoing process focused on the means by which an individual can more effectively contribute to the educational effort of the District. It is based upon an objective and fair assessment of performance. Finally, it is a self-enlightening activity, which occurs in an atmosphere of mutual trust and respect. Its primary purpose is to improve instruction.

Initial Goal Setting Conference

Prior to October 7 of each year, the evaluator and the teacher shall hold an initial goal setting conference for the purpose of establishing goals and objectives for the school year.

Evaluators

The primary evaluator shall be a member of the management or supervisory staff at the employee's work site or, in the case of an emergency, as determined by the District, any other management or supervisory employee so designated by the District. In the case of teachers given multi-school assignments, the District shall designate a management or supervisory person as primary evaluator. Unit members will not be required to participate in the evaluation and/or observations for the purpose of evaluation of other certificated employees.

A secondary evaluator will be appointed upon request of the employee or the primary evaluator.

Formal Observations

Probationary and temporary teachers shall be formally observed a minimum of four (4) times a year. Before any probationary or temporary teacher receives a formal evaluation (either the mid-term or final), the evaluator shall have completed two (2) classroom observations of not less than thirty (30) minutes in length.

Permanent teachers shall be formally observed a minimum of two (2) times a year. Before any permanent teacher receives a formal evaluation, the evaluator shall have completed two (2) classroom observations of not less than thirty (30) minutes in length.

Each formal classroom observation shall be followed by an observation summary prepared by the evaluator within one (1) week of the classroom observation. The teacher will meet with the evaluator to discuss the observation. If any deficiencies are expressly indicated in the observation report, the evaluator shall make recommendations in the report and provide administrative support to assist the teacher to improve performance. A teacher may request additional formal observations at mutually acceptable times.

Formal Evaluation

The formal evaluation shall be submitted to the teacher no later than thirty (30) calendar days preceding the close of the school year.

Probationary and temporary teachers shall be formally evaluated two (2) times each year. The first evaluation conference (the mid-term) shall take place before December 9 and the final evaluation conference shall take place prior to February 7.

Permanent teachers shall be formally evaluated at least every other year for the first five (5) years with the District; thereafter permanent teachers shall be formally evaluated every other year unless notified in writing that job performance is an overall unsatisfactory in which case they will be evaluated each succeeding year until an overall satisfactory evaluation is achieved. In the case of an overall unsatisfactory evaluation, the employee will be referred to the Peer Assistance and Review (PAR) Program and the evaluator shall take positive action to assist the teacher in

improving his or her performance. The teacher will continue in the PAR Program until he/she receives a satisfactory end of year formal evaluation and has a recommendation of the PAR Panel.

No assessment of “unsatisfactory” shall be introduced on a teacher’s evaluation which has not been first observed and called to his/her attention in writing. Time shall be allowed, when practical, from the date of the written report when the deficiency is first noted and the date of the next observation. A teacher who receives an evaluation which indicates that his/her performance is unsatisfactory shall, upon request, be entitled to additional classroom observations, one (1) additional written evaluation and one (1) additional evaluation conference.

The teacher shall take affirmative action to correct any cited deficiencies, based upon the evaluator’s specific recommendations for improvement and his/her assistance in implementing such recommendations.

A formal evaluation conference shall be held no later than thirty (30) calendar days before the end of the school year to discuss the content of the final evaluation. Each teacher shall, before being presented with his/her final evaluation, meet with his/her primary evaluator to discuss the ways in which objectives in each area enumerated in the evaluation form have or have not been met.

Within five (5) days of the formal evaluation conference, the teacher shall sign the report indicating only that he/she has read the report, understands it and has been given the opportunity of responding to it in writing; the signature does not necessarily indicate the teacher’s agreement with the evaluation. The report will be placed in the teacher’s Personnel File within ten (10) days of the signing. The teacher has the right to respond to the evaluation in a timely manner and to have this response included in the Personnel File.

In the case of an overall unsatisfactory evaluation, the evaluator shall take positive action to assist the teacher in correcting any cited deficiencies through a Personal Improvement and Assistance Plan (PIAP) under the PAR Program. The evaluator’s role to assist the teacher shall include, but not be limited to, the following:

1. A written statement of the problem including the Professional Standards found deficient;
2. A written statement of the desired action required to correct the deficiencies including specific recommendations for improvement;
3. Direct assistance to implement such recommendations;
4. Provision of additional resources to be utilized to assist with improvement;
5. Time schedule to monitor progress.

Extended Evaluation Cycle for Permanent Teachers

When a teacher has completed ten (10) years in the District, is highly qualified as defined in 20 USC Section 7801, and has met or exceeded the teaching standards as reflected in previous formal evaluations, he/she may be eligible to skip one (1) formal evaluation cycle (a two [2]-year period) with the agreement of the evaluator. The teacher or the evaluator may withdraw consent at any time and reinstate the every other year cycle for evaluation.

Alternative Evaluation for Permanent Teachers

Permanent teachers with a minimum of five (5) years experience in the District and with a minimum of three (3) satisfactory evaluations may opt to be evaluated through the alternative evaluation process developed and agreed to by the District and the Association. The teacher and the administrator must jointly agree to the use of the alternative evaluation option.

Grievance of Final Evaluation

Any grievance shall be limited to claims alleging violation of the expressed evaluation procedures set forth in this article. No grievance arising under this article shall challenge the substance of an evaluation.

Evaluation Standards

The District and the Association agree to adopt for the purposes of evaluating the instructionally related areas, the California Standards for the Teacher Profession (CSTP). The CSTP provides a common language on teaching that will be used by teachers to prompt reflection about teaching and learning, develop professional goals, and guide, monitor and assess the progress of the unit member's practice towards their professional goals. Non-permanent teachers will be evaluated on all six (6) standards, while permanent teachers will primarily focus on a single primary standard selected from Standards 1-5. The teacher and the evaluator shall agree upon the primary standard for evaluation. In the event the teacher and the evaluator cannot agree upon the primary standard, the teacher may request that the Superintendent or the Superintendent's designee meet with the teacher and the evaluator to facilitate the selection of a primary standard.

Probationary and Temporary Teachers Evaluation Standards

Probationary and temporary teachers will be evaluated on all six (6) Standards of the California Standards for the Teaching Profession (CSTP). The CSTP Standards 1-6 will be assigned a rating of 1-4 based on the predominance of markings of the sub-standards within each of the six (6) standards. A probationary teacher with an assigned rate of one (1) in more than two (2) of the six (6) CSTP standards will be considered "unsatisfactory" on the overall rating of their evaluation.

Permanent Teachers Evaluation Standards

Permanent teachers will be primarily evaluated on a single CSTP primary standard and its corresponding sub-standards from the CSTP Standards 1-5. The single selected primary standard will be the area of focus for the evaluation. At the formal evaluation conference, there will be two (2) ratings given to the permanent teacher. The selected primary standard will be rated based on the predominance of markings of the sub-standards within the overall standard on a scale of 1-4. All other CSTP Standards will be assessed by a "satisfactory" or an "unsatisfactory" rating.

In the event that there is a rating of 1 given in the one (1) selected primary standard, the teacher will work with the administrator to develop an improvement plan outside the requirements of the formal evaluation system. This will be implemented in the ensuing year and will not be

considered a formal evaluation year. Evaluation will continue the subsequent year directly related to the standard that was identified with a rating of 1.

In the event that the evaluation of the teacher results in a rating of 1 given in the single selected primary standard and an “unsatisfactory” in any other CSTP Standard, the evaluation will be considered an “overall unsatisfactory” evaluation. The teacher will be referred to the PAR Panel and will be supported with a Professional Improvement and Assistance Plan (PIAP) as provided for in the PAR Program.

For permanent teachers receiving multiple ratings of 2 within the selected primary standard, the administrator will provide assistance to support the teacher to achieve a Satisfactory rating in future evaluations. The teacher will take affirmative action to bring about improvement in the areas noted on the evaluation.

Evaluation Forms

The Evaluation Forms (amended July, 2007) in Appendix C1 to C5 of this contract will be used in the evaluation process outlined in this article. Any proposed changes to the forms must be developed and negotiated through a meeting between the District and the Association’s negotiating teams.

The components of the current evaluation instrument shall include:

1. A goal-setting form that includes a minimum of three (3) goals that evaluate the “progress of students towards established standards of achievement” (Stull Bill objectives) and the teacher’s progress toward the California Standards for the Teaching Profession
2. A formal observation form
3. A Mid-term Evaluation form for probationary and temporary teachers and Referred Participating Teachers (RPT) in the PAR Program.
4. A Final Evaluation Form that includes:
 - a. The progress made toward achieving the established achievement goals
 - b. Progress made in the California Standards for the Teaching Profession
 - c. An overall evaluation of the certificated employee’s total performance
 - d. Peer Assistance and Review referral, if necessary.

Non-Classroom Certificated Evaluation Forms

While the CSTP establishes the guidelines for evaluating the instructionally related performance of certificated classroom employees, non-classroom unit members will be evaluated with an independent evaluation form that is appropriate to the professional practice of these unit members. The independent evaluation forms will be negotiated through a meeting between the District and Association’s negotiating teams and based on a recommendation from a joint committee representing the District and the non-classroom members.

ARTICLE 22 – CONTRACT VARIANCE

The District and Association recognize that creativity and innovation are essential elements for maintaining a high quality educational program. It is in their mutual interests, therefore, to provide a vehicle to accommodate such elements within the framework of their collectively negotiated agreement. By doing so, the parties encourage flexibility without generally impinging on the need to uniformly apply the terms and conditions of the agreement: accordingly, the following conditions shall apply to site wide variances from specific written provision(s) of the collectively negotiated agreement.

1. OPTA site representatives, site leadership teams and site administrators seeking a waiver of specific written provisions of the collectively negotiated agreement shall jointly prepare and submit a written request, proposal or memo of understanding to waive such provision(s).
2. Such request shall be limited to the following specific clauses: Hours of Employment, Calendar, Reassignment, and Class Size. This procedure will also apply to site level repackaging of instructional minutes.
3. The request shall be site specific and limited to a maximum of two (2) years in duration. Additional year(s) may be approved provided requests are submitted no later than sixty (60) days prior to the expiration of the waiver then in effect.
4. The parties shall not consider requests for waiver that are not supported by the site administrator and at least three-fourths (3/4) of the site Association Members affected/impacted, through a secret ballot vote. The vote shall be monitored by the OPTA Site Representative(s) or designee. Each Association Member shall receive one vote regardless of full-time or part-time status and teachers on unpaid or extended personal illness leave shall not be entitled to a vote.
5. The requests are subject to approval by the Superintendent or designee(s) and the Association president or designee(s); both parties must approve the variance for it to become effective.
6. Any change in working condition(s) brought about by the implementation of an approved waiver shall not be interpreted as a violation of this agreement or as evidence of a new working condition(s) separate from the agreement or interpreted as a precedent in any manner.
7. Denial of a waiver by either party shall be specifically excluded from the grievance clause of this agreement.

ARTICLE 23 – TEACHING CONDITIONS

Bargaining unit members shall not be required to purchase supplies or personal equipment for their assignment.

ARTICLE 24 – SPECIAL EDUCATION***Transfer Rights***

1. In order to maintain continuity with the special education program, teachers hired in a special education assignment may not request a transfer to a regular education vacancy until after they have completed five (5) years with the District. Thereafter, subject to paragraph 2 below, a special education teacher has the same rights to transfer and is subject to the same transfer criteria as other bargaining unit members. The request for a transfer to a regular education position must be submitted prior to March 1 of each year.
2. For vacancies that are posted after the close of the school year, a transfer to a regular education position will be contingent upon the District finding a qualified and properly credentialed replacement. The District shall make a good faith effort to advertise and recruit qualified replacement.

Special Education Teachers

Professional training will be provided for instructional aides assigned to *children with special needs*.

The District will make a good faith effort to provide each Special Education Teacher with designated textbooks and consumables necessary to meet the District standards and Special Education curriculum requirements.

General Education Teachers Serving Special Education Students with Full-Day Instructional Aide Support

At the elementary level, one (1) planning day per quarter (provided by a guest teacher to release the general education teacher from the classroom) for general education teachers and special education teachers to plan for the provision of services for special education students who have full-day instructional aide support. At the discretion of the site administrator these planning days may be taken off site if appropriate to the planning needs established by the IEP. Whenever possible, these days should not be requested during high volume guest teacher days. These days may also be taken in half days if the teacher so desires.

At the secondary level, a roving guest teacher will be provided one (1) day a quarter to cover individual core curriculum classes (English, Math, Science, History/Social Science) for teachers serving these students.

When administratively practical, the District shall not assign a special education student with a full-day aide to a class at the elementary level until 24 hours after the regular education teacher has been provided with a copy of the IEP of the incoming student and the bargaining unit member has had the opportunity to meet with the student's case manager. Nothing in this article shall prevent the timely enrollment and legal right that a student has to attend school.

The District recognizes that some individuals with exceptional needs may not meet or exceed the growth projected in the annual goals of the IEP. In such instances, a bargaining unit member's accountability shall be limited to having reasonably implemented the services stated in the IEP.

Whenever possible, elementary regular education bargaining unit members shall not be required to assume the responsibility of teaching a special education student with a full-day instructional aide more than once every other year.

IEP Meetings

When reasonably possible, all IEP meetings, 504 meetings and SST meetings shall be scheduled within an eight (8)-hour school workday (inclusive of at least a thirty (30) minute duty free lunch). In order to achieve this goal, the District will allocate the equivalent of one full day per week at each school (excluding Oak View and Oak Park Independent School) for the purpose of IEP, 504 and SST meetings. The designated days will be determined and coordinated among the sites by site administrators to enable staff who work at multiple sites to attend. Teachers will be released from their classes with guest teachers.

Team meetings will not be placed on any student IEP or be considered an expectation for teachers unless otherwise required. If the IEP Team determines that a group meeting, other than an IEP meeting is needed at any time, the meeting will be considered informal and not a requirement of the IEP. Every effort will be made to hold the necessary meetings during the school day and release time will be provided for the teacher to attend this meeting. When reasonably possible, all such meetings shall be scheduled within an eight (8)-hour school workday (inclusive of at least a thirty (30) minute duty free lunch).

ARTICLE 25 – COUNSELORS AND PSYCHOLOGISTS

The regularly scheduled work year for Counselors shall be one hundred and ninety-two (192) days. The regularly scheduled work year for Psychologists shall be one hundred and ninety (190) days. The District reserves the right to assign up to ten (10) additional days to be paid at the affected employee's daily rate. Counselors and Psychologists shall be paid pursuant to Appendix "A."

During the 2007-2008 school years, a joint committee will be convened to discuss the workload and evaluation process for counselors and psychologists. The recommendations from this committee will be given to the District and OPTA no later than May 1, 2008.

ARTICLE 26 – RETIREMENT

Bargaining unit members who have expressed to the District an intent to retire shall receive retirement information from the District Office.

Health and Welfare Benefits

Retiring unit members who are at least 55 years of age and have served in the Oak Park Unified

School District for a minimum of twelve (12) years will be eligible to pay for the single, dual or family premium of the District provided group, medical, dental and vision insurance in the amount that is equal to the District’s cost of that premium. This benefit shall continue until the retiree reaches age sixty-five (65).

Mid-Year Retirement

Unit members, age 55 and older, who retire during the school year shall receive health benefits through the end of the month of their retirement.

End of Year Retirement

Unit members, age 55 to 64, who retire at the end of the school year shall receive health benefits through August 31st.

Unit members, age 65 and older, who retire at the end of the school year shall receive benefits through May 31st and shall receive full reimbursement of the health benefits paid out for June, July, and August.

Unit members, who reach age 65 in June, July, or August, shall receive health benefits through the end of the month in which they turned age 65, and will receive reimbursement for the remaining months of July or August.

Retiring unit members receiving a reimbursement for health benefits shall receive their reimbursement no later than August 31st.

Early Retirement Incentive Program

The District shall establish a committee with OPTA to evaluate annually the feasibility of an early retirement incentive plan. Any early retirement incentive program offered by the District is subject to negotiations. The final decision to offer an early retirement plan for bargaining unit members shall be determined by the Board of Education. The terms and conditions of a program will be outlined in a Memorandum of Understanding that will be developed between the Association and the District for retiring bargaining unit members.

If a retirement incentive program is negotiated that includes a cash option, the retiring unit member shall receive their check no later than August 31st.

ARTICLE 27 – CURRICULUM COUNCIL

When the District proposes material changes in the District's definition of educational objectives, determination of course and curriculum content, and selection of textbooks, they shall first be discussed by the Curriculum Council. In the event a Curriculum Council recommendation is amended by the District management prior to being presented to the Board of Education, a member of the Curriculum Council selected by the Association shall be notified at least one (1) week in advance, and be entitled, upon request, to present to the Board the original recommendation and speak in support thereof.

The District shall, upon request, consult with the Association on the definition of educational objectives, the determination of the content of courses in the curriculum, and the selection of textbooks to the extent such matters is within the District's discretion under the law.

In order to ensure communication between the schools and the Curriculum Council, each site shall have one (1) bargaining unit member serving on the Council. The Association will select the bargaining unit member from each site. The District will select the three (3) administrative and two (2) parent representatives to the Curriculum Council and an Oak Park Unified School District Board of Education member will sit on the Council. Additional members to the Curriculum Council may be considered through joint consultation between the Association and the District. The District reserves the right to split the Curriculum Council into an elementary and secondary grouping.

ARTICLE 28 – PEER ASSISTANCE AND REVIEW

1. The Peer Assistance and Review Program in the Oak Park Unified School District is titled the Peer Assistance Review (PAR) Program.
2. The Peer Assistance Review (PAR) Program has created the position of Colleague Coach as a teacher who provides assistance to Participating Teachers in accordance to the Peer Assistance and Review Program as follows:
 - a. Colleague Coaches are assigned to provide teachers new to the profession and/or to the District with necessary support to optimize their possibilities for success in the classroom and school;
 - b. Colleague Coaches are assigned to provide support to teachers who have been required to participate in the Peer Assistance and Review program as a result of an overall rating of unsatisfactory on the annual summative evaluation; and,
 - c. If available, Colleague Coaches are assigned to provide support for teachers who volunteer for assistance through the Peer Assistance and Review Program.
3. The District and the Association have established the PAR Panel to function as the governance structure for the Peer Assistance and Review Program and agree that the Panel is responsible for establishing and administering the rules and procedures relating to the operation of the Peer Assistance and Review Program.
4. The PAR Panel is composed of members appointed by the District (two (2) members) and classroom teachers appointed through an Association Process (three (3) members).
5. The PAR Panel shall provide for the operation of the Peer Assistance and Review Program.
6. The Panel shall annually evaluate the impact of the Peer Assistance and Review Program in order to improve the program. The Panel shall submit its annual evaluation no later than the end of April to both the District and to the Association for review.
7. Notwithstanding the expiration date of the collectively negotiated agreement, the District and the Association agree that the Peer Assistance and Review Program will continue to operate,

even during hiatus, if any, between collectively negotiated agreements. Neither party will contend that the Peer Assistance and Review Program has expired or cannot continue to function nor utilize applicable funding as a result of the expiration of the collectively negotiated agreement.

ARTICLE 29 – SPECIALIZED HEALTH CARE PROCEDURES

Bargaining unit members shall not be required to administer specialized health care procedures to students unless they have first received appropriate training. Bargaining unit members shall not be required to receive such training unless mandated by state law. This provision shall not apply to certificated school nurses.

ARTICLE 30 – SUMMER SCHOOL

Known summer school and/or extended school year vacancies will be posted by the close of the first (1st) week in April. Teachers with at least one (1) year in permanent status with the District will be given preference over other District teachers; regularly employed District teachers will be given preference over teachers from outside the District.

Selection will be based on credentials, type of recent experience (grade level and/or subject matter), and prior evaluations.

If the District determines that more than one (1) teacher has equal qualifications for a vacancy, the teacher with the least recent summer school or extended school year, as applicable, teaching assignment shall be selected.

Summer school and extended school year assignments are "hourly as needed."

Currently, summer school is not a District provided program. The above language will be applicable if and when the District assumes responsibility for providing a summer school program.

ARTICLE 31 – TERM OF AGREEMENT AND NEGOTIATION PROCEDURES

Except as specifically provided herein, the term of this Agreement shall be from July 1, 2021 through June 30, 2022, and shall continue in effect from year to year thereafter unless amended, modified or terminated as provided below.
